Carteret Fish Boxes Shipped To Florida

There has been a tremendous demand for fish boxes this fall and the department of Scarboro Safrut Lumber Company engaged in the manufacture of dressed pine boxes have had excellent business. Frequently they ship boxes to North Carolina fishing towns and there is one firm in Florida which orders Carteret made fish boxes regularly from the Scarboro-Safrut Company. Biggest local buyer of the boxes is N. C. Fisheries Inc., but the majority of the independent dealers are using the local made product now.

BUYING A CASKET

The duty of buying a casket is one which most people must face at one time or another, yet it is usually approached with a feeling of bewilderment. Such an attitude is unnecessary. Value in a casket is made up of the same elements as value in any other merchandise. In our display rooms, patrons find a wide selection from which to choose, and a readiness on our part to explain the merits of each article.
