Coastal Camporee Was A Big Success

In spite of rainy weather the first annual Coastal Camporee spons or ed by Troop 51 of the Boy Scouts of America in Beaufort, was a big success. About 75 boys were at Community Center for the event and of this number the majority were from Eastern Carolina towns and cities. For the success of the Coastal Camporee much credit should be given Scoutmaster Bill Blades Parkin and Senior Patrol Leader Bobby Stephens. Credit too should go to the Rotary Committee who helped complete arrangements. Pave Route 70 To Pamlico Sound

Now is the proper time with defense highways being constructed throughout eastern North Carolina to have the last link of U.S. Route 70 paved. This route which starts on the Pacific Coast and traverses the continent ends at present in the community of Atlantic. That makes it one of the longest highways in the world. Instead of stopping in Atlantic, Tom Eaton Has Done however, the route should be Much For Hatteras paved on to Cedar Island and

Saturday Afternoon

Dear Bette:

Just got back from Atlantic Beach. Did we have a swell time there; I should say we did. We had free swimming on the beach and half-fare movies. And Friday a dance for us. Our camp was loseems that the people of Beaufort were riding by the camp on purpose just to drive the boys into town. I think they had more fun enjoying ourselves-and we had a damn good time. Friday afternoon a man with a big fishing boat took all the boys who wanted to go fishing free. He even gave them bait. I've seen this in the movies but it is the first time I came in contact with such friendliness and generos-Capt. John A. Nelson, com- ity since I've been in the army. TENNIS TOPICS —By— M. LESLIE DAVIS, JR.

Robinson In Tourney

Interest in the local tournament which has kept the fans in good shape, slightly died this week when news was received that Robert W. Robinson, No. 1 player had accepted an invitation to compete in the Second Annual Eastern Carolina Tennis Tourney at Goldsboro. September 1-6.

Members of the local club are especially proud of Robert as only eight players in Eastern North Carolina have been invited. It is a distinction of which members of the club and Beaufort citizens should be proud.

Competed Last Year

Robert competed in the tourney last year but was eliminated in the first round. A lot of improvement has been made during the year, however, so his winning chances should be much better. He leaves for Goldshoro on Monday, accompanied by his double partner, Carl M. Sadler, and we all feel sure that he will do his best to come home with the bacon.

The girls' tennis match was finshed Wednesday afternoon when Florence Skarren defeated Margaret Robinson: 3-6, 6-3, 6-2, 6-3.
