EDUCATION

I think that I would rather teach a child
The joys of kindness than long hours to spend
Poring o'er multiple and dividend;
How different natures may be reconciled
Rather than just how cost accounts are filed;
How to live bravely to its end.
Rather than how one fortress to defend,
Or how gold coins once gathered can be piled.

There is an education of the mind
Which all require and parents early start,
But there is training of a nobler kind
And that's education of the heart.
Lessons that are most difficult to give
Are faith and courage and the way to live.

Menhaden Decrease Reported In State

A marked decrease in the catch of menhaden off the Carolina coast is reported by State Fisheries Commissioner John A. Nelson for the past fiscal year as compared with the previous year. The decrease is said to have been due primarily to unfavorable weather conditions.

Most of the Carolina menhaden are caught on the outside during the winter, when the weather is usually bad. Last year the fish came when conditions for catching them were at their worst, it is said.

Men Of Boys Town To Be Shown Here At The Seabreeze

Flannagan, and Mickey Rooney as Whitey Marsh, Mayor of Boys Town, the role that won him a special Academy Award and made him a star, are again brought together in Men of Boys Town, sequel to "Boys Town" which opens at The Seabreeze Theatre next Sunday for a three day run.

Tracy as Father Flannagan is again portrayed in the role of fighting new battles for boys with courage and vision. Rooney's portrayal of Whitey, a born leader, gains force when he leaves Boy Town to do a man's job and helps Father Flannagan's exposure of cruelty and injustice.
