BEAUFORT, N. C., THURSDAY, NOV. 5, 1942.

PUBLISHED WEEKLY.

BEAUFORT BOYS In The Service

Linwood Fulcher, Mo. M. M. 1st class, U. S. C. G. of Stacy, an old timer in the service, 13 years, is stationed at the Coconut Grove Air Station, Miami. Mrs. Fulcher is with her parents, Mr. and Mrs. Elmer Garner of Newport while he is away.

Charles Mades, U. S. C. G. Boatswain 1st class, "Somewhere in the Pacific," writes, "You'd be surprised to know where I am, but I went in the cafe the other day and found some mulligatawny on the menu." Elmer Garner, son of Mr. and Mrs. H. Garner is with him on the U. S. S. Neville.

Floyd A. Garner, C. M. M. U. S. N. of Newport, stationed at Boston left yesterday after spending ten days leave at home.

Corp. Billie Wells, who was married last summer to Virginia Catlin of the 1942 Class of our school, and who is brother of Mrs. Fred King of Moore Street, is down at Camp Hood training with the Comandos.

2nd Lt. Mary Bowen Brooks who has been stationed at Camp Davis is now serving overseas with an address c/o Post Master, N. Y. C. The family have received word of her safe arrival but do not know where.

Mrs. Sophronia Mason thinks Corp. Preston Mason, C. O. C., 29th Engineers, who has been stationed at Camp Pickett, Va., has probably been sent overseas. She has not heard from him since October 12th at which time he was anticipating such a move. Pvt. John S. Mason, another son of Mr. and Mrs. Joe Mason, is in training at Camp Quindlen California.

Chesley Dennis, Boatswain Mate 2nd Cl. U.S.C.G. Academy, New London, Conn., with his wife and son, has been spending two weeks leave with his parents, Mr. and Mrs. R. L. Dennis.

"Butch" Austin is with the paratroops at Camp Toccoa, Ga. He has been advanced to the rank of Corporal and for the past three weeks has been having experience in "jumping" which he reports thrilling.

Earl T. Willis, Chief Machinist Mate, U.S.C.G., injured some weeks ago at Marthon, Fla., returned to Beaufort Friday and is convalescing at his home. Earl Ray Willis, his son, has been promoted to Gunners Mate 2nd Cl. Along with the news came Christmas gifts for the family sent prematurely because of an expected cruise.

Sgt. Jas. E. Warren of Fort Bragg has been transferred to Camp Lee, Va., where he is a cadet in Officers Training School.

Pvt. Robert Robinson, U.S.A., who was inducted in October and See SERVICE Page 10

AROUND TOWN

—With— MACK CLARK

We missed out the last week or so. Mainly for the simple reason that we didn't have anything particular to complain about. However, we have found something and forthwith complaint. (Not that we expect it will do any good).

OBSTRUCTIONS

Since all of us have finally become convinced that we must walk except when we need to go some distance out of town, all of us would appreciate some attempt to remove the obstructions to pleasant walking—both by day and by night.

Along the north side of Front street on the block from Turner and Craven there are a number of awnings. They are needed to protect displays in store windows from the afternoon sun. But at least every other one of them is hung so low that the average size person cannot walk under them without getting a permanent "crick" in his neck. Once in a while there are few enough people on the street to permit one to walk outside them. Usually it is either bend your neck or walk in the gutter. See AROUND TOWN P 10

LOCAL MAN IN ACCIDENT

Frank Robinson Struck By Truck Dies Instantly

Frank Robinson, Chief Elec. Mate, U. S. N., stationed at the Section Base, Morehead City last night about ten o'clock was struck by a truck driven by "Gibbie" Sanderson and instantly killed on highway 70 near the Section Base.

Mr. Robinson was a native of Beaufort, 53 years of age. He was twice married. His first wife was Anna A. McAddee of Philadelphia by whom he had five children who survive and who made their home with him in Highland Park, east of highway 70. The children are Frank Jr., U. S. N., St. Thomas Is; Robert, U. S. A. Camp Attleburg, Ind; Margaret, Anna and Jean. He is also survived by a sister, Mrs. L. Shackell of Chicago.

4-H Members Carry War-Time Projects

Congratulations to the 100,000 members of 4-H Clubs in North Carolina are extended by L. R. Harrill, State 4-H Club leader of the N. C. State College Extension Service, in connection with the State and National 4-H Achievement Weeks. The State celebration is being held this week, November 1-7, and the National observance of 4-H Achievement Week is scheduled for November 7-14.

Harrill and Miss Frances MacGregor, assistant State club leader, made a sample survey of 4-H activities in 30 counties, and they found evidence that approximately \$267,419 worth of War Savings Bonds and Stamps have been purchased, and \$194,317 worth sold, by the 4-H clubs of the State.

The 100,000 club members have collected approximately 6 1/2 million pounds of scrap metal, more than one million pounds of scrap paper and rags and 858,632 pounds of scrap rubber through their cooperation in the Salvage-for-Victory program.

About 10,594 members increased the farm family's fuel supply through 4-8 forestry projects, 8,066 members participated in fire prevention work, and 15,723 enlisted on the campaign to repair and care for farm machinery.

A total of 14,199 members took first aid courses, 1,788 farm boys and girls are acting as air raid wardens, and 29,098 are cooperating with local defense agencies in other activities.

Harrill says that practically every 4-H boy and girl, including the 400,000 new members enrolled through the 4-H Mobilization for Victory campaign last summer, has conducted a food production project, such as growing a vegetable garden, corn, peanuts and soybeans, or raising poultry, swine, dairy calves, and baby beeves.

Funds From 1941 Christmas Seals Have Served County

The 1941 Christmas Seal Fund has helped many individuals during the past year. Mrs. J. G. Allen, Seal Sale chairman for the County, and Mrs. Rudolph Dowdy, chairman for the Morehead City area, conducted the sales. The funds obtained by sale of Christmas Seals by each of the County schools were all combined to create a central fund which has been administered by the County Health Department.

A recent check-up revealed that over 15 individuals have received X-Ray films of the chest through this fund. Several others have been given transportation to and from the Sanatorium.

Sanitary supplies have also been furnished to tuberculosis patients living at home.

Many other services have been made available to this County indirectly from Seal Sale funds. The most important of these has been the Fluoroscopic clinics conducted by the Extension Service of the State Sanatorium. Literature for tuberculosis prevention work and supplies of many kinds have been of considerable value to the county during the past year.

To save gas and rubber, more than 125 saddle horses are being used by Indian Service Extension employees on at least 14 Indian reservations in this country.

Carteret Vote Light In Tuesday's Election

SPEAKER

Judge Luther Hamilton of Morehead City will be the principal speaker at the American Legion Armistice Banquet of Carteret Post 99 which will be held in the Hut at Beaufort next Wednesday night, November 11th.

Local Legion To Arrange Armistice Night Banquet

Roy Barbour, Commander of Carteret Post No. 99 of the American Legion, of this city, today announced that the local Post of the American Legion is arranging to enjoy an Armistice night banquet (Dutch) on the evening of November 11 starting at 7:00 P. M. Commander Barbour stated that at least 186 other Legion Posts in North Carolina are expected to arrange similar banquets and that these banquets are to be held simultaneously throughout the state.

Post Commander Barbour stated that he is appointing a special committee on arrangements for the local Armistice night banquet, which he hopes will be bigger than ever before. Commander Barbour termed Armistice night the LEGION'S OWN HOLIDAY and that of every World War veteran and stated that every member of the local Post of the American Legion and all veterans of the first World War who were honorably discharged are also invited to attend this banquet. The Commander is hoping to make this banquet by far the most successful and enjoyable banquet ever held by the local Post.

Smyrna School District Notice

The new Smyrna School building, begun in April, 1941, and not yet completed, will be used in part, for classroom purposes only, beginning next Monday. The W. P. A. abandoned the project in late August because of the lack of skilled workers on relief rolls, and to John L. Eaton, building superintendent, has been left the task of finishing the building as well as attempting to carry on pressing repair work in the other schools of the county.

Beginning Monday, the seventh grade students at Marshallberg, temporarily held at Marshallberg, will report to Smyrna, keeping in contact educational practice traditional to the district since its consolidation two decades ago.

Students and public in the Smyrna district are impatiently awaiting completion of the auditorium-gymnasium, expected within the next two or three weeks, and are anticipating with great satisfaction the use of facilities approaching adequacy for the large attendance which practically every school event attracts.

City Fathers Met Monday

The Town Commissioners met Monday in regular session. Nothing outstanding was accomplished. W. F. (Cooch) Willis was employed as an extra night policeman to serve from two in the afternoon until two in the morning and a few bills were submitted and ordered paid.

Republicans Did Not Put A Ticket In The Field This Year

Both Amendments Carry Hassell Leads Ticket

A normal election vote for Carteret County would mean between five and six thousand ballots cast. Election officials expected 2000 on last Tuesday. Instead, when the Election Board met this morning at the Court House and canvassed the vote, F. R. Seeley, Chairman stated that but 974 votes were cast in the county. Of these 6 were absentee votes.

On Tuesday at 2:30 when a friend went with me to vote, we were the only two present exercising our sovereign right. Our heels clacked in the hall and echoed and re-echoed in the tall emptiness. Only two hundred and eighteen votes were cast in Beaufort in the 12 hours allotted for voting, 18 every 60 minutes. In our twin city across the river but 169 votes were cast.

Following is the total vote of 26 precincts out of 27 (Stella not reported); For U. S. Senator, J. W. Bailey, (D) 846; S. J. Morris (R) 128; For Congress, Graham Bardeen, 947. Educational Amendment 747 for; 119 against. Solicitorial Amendment 589 for; 102 against.

County candidates received the following vote: D. M. Clark Solicitor, 5th Judicial District, 929, Senatorial District John D. Larkin, 925, K. A. Pittman, 918; H. S. Gibbs, State House of Representatives, 929; L. W. Hassell Clerk of Superior Court, 938; C. G. Holland for Sheriff 937; Paul Webb, Judge Recorders Court, 937; M. L. Davis 937 Solicitor of Recorders Court, Alfonso James, coroner 935; For County Commissioners, W. Z. McCabe 937, K. P. B. Bonner 931, C. Z. Chappell 932, Tilton Davis 935, W. G. Styron 933.

The State went solidly democrat. Bailey won over Morris with wide margin. Both Constitutional Amendments were passed.

Nationally, Republicans gained 9 seats in the Senate reducing the Democratic majority to the lowest level since 1933. In the House they now hold 205 seats compared with 218 for the Democrats, 2 for the Progressives, one for American Labor, and one for Farm Labor, with 8 seats undecided.

As Raymond Crowley says, "Whatever the cause of the U. O. P. (nationally) and however one may feel about it, there are three men who would be well advised not to take any comfort from it" they are Hitler and, those other two. No candidate elected has stood on a platform of anything other than unity in pushing the War to a successful finish for us.

FINALE ON SCHOOL SCRAP

Final figures show the collection of 595,894 pounds, or 297.9 tons, by the school children of Carteret during the scrap drive. Smyrna's collection turned out to be 69,690 pounds, or 308.4 pounds per pupil, slightly topping Harker's Islands collections of 70,100 pounds, or 294.5 pounds per pupil. In addition to a feeling of deep satisfaction in a patriotic duty exceptionally well done during a time of national need, the children of the county stand to be further rewarded by the many improved facilities which the \$1,489.74 to be derived therefrom will buy. The minimum for scrap is 25c per 100 pounds.

Movie Cast Eat At Morehead City Cafe

The Sanitary Fish Market, of Morehead City, has entertained a good many notables, but it does not make them base and they frankly enjoyed being host to the cast of "Salute to the Marines" last Saturday night when they came over from the New River Marine Base at nine o'clock in the special bus they use in driving about the base to shoot scenes. Wallace Beery, leading man, was literally and figuratively head of the table around which gathered 30 men smacking their lips over "jumbo platters."

Glenn Adair Joins I.A.S.

On last Tuesday night Glenn Adair, with a few of his classmates, was taken into the N. C. State College chapter of The Institute of The Aeronautical Sciences as an associate member. This society ranks high among professional societies and is exclusively for aeronautical engineers and aeronautical engineering students. Glenn, who is a sophomore at State, graduated from Beaufort High in 1941.

Chief Longest Asks Cooperation Of Merchants

Chief of Police, Walter Longest, who is also head of the street department, asked the Beaufort News to state through its columns asking the merchants on Front Street to please cooperate with the street department in keeping Front street as clean as possible. He stated that the business block is swept every morning before day light and by 9 o'clock the street in front of some of the stores is littered with cabbage leaves and other vegetable refuse.

Chief Longest also stated the alley on Craven street must be kept unobstructed, in other words cars will not be allowed to park in front of this alley, which has been narrowed recently by a fence. No parking signs will be painted at this spot in the near future.

Miss Britton Speaks To Methodist Ladies

The Woman's Society for Christian Service of the Methodist Church had an unexpected and inspiring experience when Miss Emma Britton, who returned but three months ago after six years as a missionary in India, talked to them Monday afternoon about the country she has learned to love. She spoke of its vast size. With the exception of Russia, all Europe could be placed within its borders. She described it as a country of contrasts in which there is the magnificent Taj Mahal, but also hundreds of thousands of crudely formed mud huts; a country of fabulously rich rajahs and business men, but a country in which the majority of the people go nightly to bed hungry; a land of great thinkers and philosophers but also one of appalling illiteracy.

In regard to the question of home rule that cannot be left out of any discussion of India, she said that the villagers, the group of which she knows most, have been satisfied with British rule. They are a simple people and they just know that they fare better under English rule than they fared before. Propaganda, however, has had its effect, and they now want home rule. With one religion, Miss Britton thinks India could handle her own affairs, for as she says the great illiteracy is not due to lack of intelligence but to lack of opportunity and even now Indians bear much of the responsibility of the government. The Mohammedans, however, will not cooperate with the Hindus in forming a democratic government because they are in the minority. She feels, too, that this is, of course, too critical a moment for India to take over.

Miss Britton gave a second talk on Wednesday before the Intermediate Girl's Auxiliary, of the Baptist Church, in the home of Mrs. Tad Davis.

Miss Britton will be in Beaufort throughout the week as the guest of the Charlie Brittons after which she returns to Remini, S. C. to be with her mother.

QUOTAS

Four new passenger cars have been allotted Carteret County for rationing during November.

The quota for tires and recaps is: Passenger cars, new tires 6; grade II tires 15; recaps 258; tubes 30. Trucks; new tires 25; recaps tires 49; tubes 28.

Rotarians Meet

The Rotarians met as usual Tuesday evening for dinner at the Inlet Inn. In the absence of Mr. Potter, Calvin Jones, vice president, presided. No business of importance was transacted. Dr. Stevick showed the group an interesting film on refrigeration, "Forty Billion Enemies."

Glenn Adair Joins I.A.S.

On last Tuesday night Glenn Adair, with a few of his classmates, was taken into the N. C. State College chapter of The Institute of The Aeronautical Sciences as an associate member. This society ranks high among professional societies and is exclusively for aeronautical engineers and aeronautical engineering students. Glenn, who is a sophomore at State, graduated from Beaufort High in 1941.

County Board In Session Monday

At the meeting of the County Board on Monday, the bid for supplies for the County Home was awarded to the City Grocery.

A motion was passed commending the Clerk's office and Tax Collector's office for splendid efforts made to collect taxes.

Philip Ball was appointed County Surveyor to fill out the unexpired terms of L. R. Lefferts of Straits.

A few tax matters were adjusted.

The jury list for December term of court is: Dennis Goodwin, Roe; W. M. Davis, Beaufort; S. C. Campen, Beaufort; Geo. W. Hancock, Smyrna; Dallas Roe, Hackers Island; Ira Garner, Newport; S. E. Mann, Newport; Claud Garner, Newport; Hugh Murdock, Wildwood; Allen Moore, Hackers Island; Milton W. Willis, Marshallberg; James Morton, Morehead City; Kenneth Chadwick, Gloucester; J. W. McCabe, Newport; Irredell Rose, Hackers Island; J. T. Graham, Newport; Otis Willis, Beaufort; James Mann, Newport; J. W. Smith, Lola; Richard Lefferts, Straits; M. J. Willis, Morehead City; L. R. Lefferts, Gloucester; Manly Salter, Newport; Shelly Davis, Hackers Island; Walter Yeomans, Hackers Island; J. G. Murdock, Wildwood; Wallace Goodwin, Roe; Chas. V. Webb, Morehead City; W. M. Dennis, Newport; R. G. Garner, Newport; Geo. W. Ball, Newport; Dave A. Jarvis, Straits; J. B. Kelly, Newport; E. C. Mundine, Newport; Thos. Gaskill, Roe; Winfield Gillikin, Beaufort.

Rationing Board Notices For Everyone

A supply of retailer's bulletin is now available at your Local Rationing Board NC-16. All merchants affected by the above regulations please call on your Local Board for Bulletin No. 3.

ALMA DAVIS, Executive Secretary Local Rationing Board, NC-16

Day Of Prayer Will Be Observed At St. Paul's Church

The congregation of St. Paul's Church, Beaufort, will observe the annual Day of Prayer on Wednesday, November 11, Armistice Day. The church will be open from 8:00 a. m. until 6:00 p. m. during which time it is hoped some person will be present so that a continual offering of prayer may be made.

Members of the congregation will be requested at the 11 o'clock service Sunday morning to place their names on a chart marked off in fifteen minute periods covering the hours of the day. Others of the community are invited to come to the church at any convenient time and join with the people of St. Paul's in this offering.

Leaflets for guidance and participation in the prayers will be provided. The leaflets are based on a form of self-examination followed by intercessory prayers for others and for the war-torn world.

The Day of Prayer has been sponsored by the Woman's Auxiliary of the Episcopal Church for a number of years, both in times of peace and times of war. In this year it is most appropriate that heart-searching prayer and meditation be made. In such manner only will the peoples of the earth come to an understanding of each other and the world's ills.

Looking Backward

—From—

BEAUFORT NEWS 1922

Election returns indicate that Carteret County which two years ago gave a complete Republican majority reversed itself this time and gave a big majority to the Democrats. Williston remains the banner Republican precinct having polled 102 out of 104 votes cast.

The residence of Mr. John Gillikin at the forks of the New Bern and North River roads was destroyed by fire yesterday morning at about three o'clock. The fire is supposed to have started from a lamp that exploded.

A committee to decide on the location of the Baptist Seaside Assembly is to meet at Goldsboro, and a delegation from Beaufort will go there to make a bid for it. The committee is composed of Dr. C. L. Duncan, W. H. Taylor, U. E. Swann, W. A. Mace, and F. R. Sealey.

Rev. H. A. Day, in a few impressive remarks before members of the Community Club, told of the horrible conditions in Armenia. After his talk, the Club voted to give \$25.00 to the Relief Fund.

The following new names were presented for membership: Mrs. Hugh Hill, Mrs. Brady Way, Miss Mildred Jones and Miss Georgie Neal.

200,000 4-H Girls Vie For All-Round Records

More than 200,000 4-H girls in this and 41 other States are now making the final drive to achieve one of the most coveted objectives in club work—that of being chosen as the outstanding all-around girl clubster in their county, State, and nation. To gain one or all of these goals, they are participating in the National 4-H Girl's Record contest, in which superior achievements in home economics projects and activities are also rewarded by Montgomery Ward in the form of medals, trips, and college scholarships.

That participants in this annual contest have well-rounded 4-H records is reflected in the achievements of previous winners. Their records show that they know how to keep healthy, improve their room, renovate old clothes into "new" and becoming garments, prepare and serve nutritious meals, keep house, can foods, raise gardens, beautify home surroundings, handle poultry and livestock, exhibit, demonstrate, and judge, as well as take active part in community life.

County winners receive gold medals, recipients of State honors are awarded all-expense trips to the 21st National 4-H Club Congress in Chicago, Nov. 29-Dec. 2, and national winners are presented with a \$200 college scholarship each. This is the twentieth anniversary of Montgomery Ward's support in furthering 4-H Club work in cooperation with the Extension Service.

TIDE TABLE

Information as to the tide at Beaufort is given in this column. The figures are approximately correct and are based on tables furnished by the U. S. Geodetic Survey. So allowances must be made for variations in the wind and also with respect to the locality, that is whether near the inlet or at the head of the estuaries.
