So Deceptive.

Many Burlington People Fail to Realize the Seriousness.

Backache is so deceptive. It comes and goes—keeps you guessing.

Learn the cause—then cure it. Nine times out of ten it comes from the kidneys.

That's why Doan's Kidney Pills cure it.

Cure every kidney ill from backache to diabetes.

Here's a Burlington case to prove it.

J. J. Foster, Mendenhall St., Burlington: "I suffered from kidney complaint for a long time. I had severe pains through the small of my back and was caused annoyance by irregular passages of the kidney secretions. They secretions also contained sediment, and were otherwise unnatural. While I was suffering from a severe attack of this kind I procured a box of Doan's Kidney Pills at the Freeman Drug Co. took them as directed and was given lasting relief. It is with pleasure that I express my high opinion of Doan's Kidney Pills."
