### Alamance Fair.

The Alamance fair which was visited by several thousand people during the past week was favored with typical weather. The attractions were much better than on previous years which was proven by the unusual large gate receipts. Considering the large crowd which was present it is with pride that we speak of the excellent order which was kept. If the proper authority will prohibit the sale of whips we think the ladies would be of an appreciative spirit.

Hall's Catarrh Cure is the only medicine known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for testimonials. Address F. J. CHENEY & CO.
