## What The Kidneys Do

### Their Unceasing Work Keeps Us Strong and Healthy.

All the blood in the body passes through the kidneys once every three minutes. They work night and day. When health they remove about 500 grains of impure matter daily when unhealthy some part of this impure is left in the blood. This brings on many diseases and symptoms—pain in the back, headache, nervousness, hot dry skin, rheumatism, gout, gravel, disorders of eyesight and hearing, dizziness, irregular heart, debility, drowsiness, dropsy, deposits in the urine, and etc. But if you keep the filters right you will have no trouble with your kidneys.

J. B. Stubbins S. Main St., Burlington, N. C., says: "I used Doan's Kidney Pills, procured at the Freeman Drug Co. and the results were so satisfactory that I have no hesitation in recommending the remedy. I know Doan's Kidney Pills to be a reliable remedy for disordered kidneys."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circular and testimonials. Address: F. J. CHENEY & Co., Toledo, Ohio. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

# Charity or Business ? ? Which ? ?

The germ of Fire and Life Insurance had its rise in the custom of taking up a collection for the stricken family. We all chipped in, in the hope and expectation that if we were snuffed out by sickness or accident, the neighbors would do as much for us. Fire and Life Insurance avoids the uncertainty of leaving things to the neighbors. It is a business plan founded on the laws, mathematics and sound economy, to provide for those depending upon us in case of death. Fire and Life Insurance is a duty, and it is a privilege. Don't leave your loved ones to the care of the public or of the neighbors. We represent some of the oldest and best Fire and Life Insurance companies in the world, and we would be glad to write either for you.

We pay SIX PER CENT. INTEREST on all MONEY LOANED through our company. We give you first mortgage on real estate and the guarantee of our company and this alone means FIFTY THOUSAND DOLLARS.
