Keep The Kidneys Well

Health is Worth Saving, and Some Burlington People Know How to Save It.

Many Burlington people take lives in their hands by neglecting the kidneys when they know these organs need help. Sick kidneys are responsible for a vast amount of suffering and ill health but there is no need to suffer nor to remain in danger when all diseases and aches and pains due to weak kidneys can be quickly and permanently cured by the use of Doan's Kidney Pills. The following statement leaves no ground for doubt.

M. C. Foster, Graham, N. C., says: "I suffered for almost constant pains across the small of my back and I had but little ambition or energy. Doan's Kidney Pills were so highly recommended that I procured a box and began using them. I am glad to say that I was benefited in every way."

C., at twelve o'clock noon, on Wednesday, the tenth day of August, A. D., 1910.

This Convention is called for the purpose of nominating a Chief Justice and two Associate Justices of the Supreme Court of North Carolina, to ratify the nomination of Superior Court Judges in the various districts where candidates for judge are to be nominated this year, to nominate two Corporation Commissioners, also to elect a Chairman of the Republican State Executive Committee and one Committeeman from each Congressional District, the last named to be designated by the district delegation when assembled at the State Convention, and to transact such other business as may come before the convention.

The plan of organization requires that delegates and alternates to the State Convention shall be elected by duly constituted county conventions, called on at least fifteen days notice of the time and place of such conventions. Representation in county conventions shall consist of one delegate and one alternate for every twenty-five Republican votes, or fractional part thereof, cast in the precinct for the Republican candidate for Governor at the previous election, and in all other conventions one delegate and one alternate are apportioned to every one hundred votes, or fractional part thereof, cast at election for the Republican candidate for Governor. Provided, however, that each county shall be entitled to at least two votes in State, Congressional Judicial conventions.

The county chairmen, as well as the precinct chairmen are earnestly urged to use all diligence in seeing that their respective counties and precincts are well and fully represented in the conventions, as well as to give their conventions when called the widest publicity. Let us urge upon you that the conventions in each county and township shall be conducted in such manner as to have full representation in the respective conventions, and let every voter feel that he has a voice in the affairs of the county.
