

Are Doctors Any Good?

Foolish question! Yet some people act as if a medicine could take the place of a doctor! The best medicine in the world cannot do this. Have a family doctor, consult him frequently, trust him fully. If we did not believe doctors endorsed Ayer's Cherry Pectoral for coughs and colds, we would not offer it to you. Ask your doctor. No alcohol in this cough medicine. J.C. Ayer Co., Lowell, Mass.

If we did not believe doctors endorsed Ayer's Pills for constipation, biliousness, sick-headache, we would not offer them to you. Ask your own doctor about this.

Comforting Words

Many a Burlington Household Will Find Them So.

To have the pains and aches of a bad back removed; to be entirely free from annoying, dangerous urinary disorders is enough to make any kidney sufferer grateful. To tell how this great change can be brought about will prove comforting words to hundreds of Burlington readers.

Mrs. M. W. Fuller, Mill St., Graham, N. C., says: "I used Doan's Kidney Pills with highly satisfactory results and am pleased to recommend them to other kidney sufferers. I had severe pains through the small of my back, accompanied by headaches. I heard Doan's Kidney Pills so highly spoken of on many occasions that at last I procured a box and began their use. They drove away my trouble in a short time and it gives me pleasure to state that I have never had an attack since."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

Sinking Spells Every Few Days

"At the time I began taking Dr. Miles' Heart Remedy I was having sinking spells every few days. My hands and feet would get cold; I could scarcely breathe, and could feel myself gradually sinking away until I would be unconscious. Those about me could not tell there was life in me. After these spells I would be very weak and nervous, sleepless and without appetite; had neuralgia in my head and heart. After taking the remedy a short time all this disappeared and in a few weeks all the heart trouble was gone."

MILES MEDICAL CO., Elkhart, Ind.

To the Republican Voters of North Carolina.

Pursuant to a resolution passed by the Republican State Executive Committee, at a meeting held in the city of Greensboro, N. C., on the 27th day of May, 1910, a State Convention of the Republican party of North Carolina is hereby called to meet in the city of Greensboro, N. C., at twelve o'clock noon, on Wednesday, the tenth day of August, A. D., 1910.

This Convention is called for the purpose of nominating a Chief Justice and two Associate Justices of the Supreme Court of North Carolina, to ratify the nomination of Superior Court Judges in the various districts where candidates for judge are to be nominated this year, to nominate two Corporation Commissioners, also to elect a Chairman of the Republican State Executive Committee and one Committeeman from each Congressional District, the last named to be designated by the district delegation when assembled at the State Convention and to transact such other business as may come before the convention.

The plan of organization requires that delegates and alternates to the State Convention shall be elected by duly constituted county conventions, called on at least fifteen days notice of the time and place of such conventions. Representation in county conventions shall consist of one delegate and one alternate for every twenty-five Republican votes, or fractional part thereof, cast in the precinct for the Republican candidate for Governor at the previous election, and in all other conventions one delegate and one alternate are apportioned to every one hundred votes, or fractional part thereof, cast at election for the Republican candidate for Governor. Provided, however, that each county shall be entitled to at least two votes in State, Congressional and judicial conventions.

The county chairmen, as well as the precinct chairmen are earnestly urged to use all diligence in seeing that their respective counties and precincts are well and fully represented in the conventions, as well as to give their conventions when called the widest publicity. Let us urge upon you that the conventions in each county and township shall be conducted in such manner as to have full representation in the respective conventions, and let every voter feel that he has a voice in the affairs of the county.

SPENCER B. ADAMS,
Ch'm Repub. State Ex. Com.
