

70 Years with Coughs

We have had nearly seventy years of experience with Ayer's Cherry Pectoral. That makes us have great confidence in it for coughs, colds, bronchitis, weak throats, and weak lungs. Ask your own doctor what experience he has had with it. He knows. He can advise you wisely. Keep in close touch with your family physician. No alcohol in this cough medicine. J. C. Ayer Co., Lowell, Mass.

A Mother's Gratitude.

Many a Mother in Burlington Will Appreciate the Following.

Many a strong man and many a health woman has much for which to thank mother. The care taken during their childhood brought them past the danger point and made them healthy men and women. Children are generally bothered at some period with incontinence of urine, and inability to retain it as oftentimes called a habit. It is not the children's fault—the difficulty lies with the kidneys, and can be readily righted if taken in the proper way.

Mrs. H. S. Patterson, 211 Humphery St., Greensboro, N. C., says: "I am giving Doan's Kidney Pills my endorsement in the hope that other sufferers from kidney complaint will be led to try this remedy. My son suffered for several years from weak kidneys. I finally procured a box of Doan's Kidney Pills for him and am glad to say that they proved of benefit in every way."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

The annual picnic of the M. P. Sunday School will take place Saturday at Glenwood Farm.

To the Sunday-school Workers of Alamance County.

The annual convention of our County Association will be held at Spring Quaker church, near Saxapahaw, on the 27th day of August. The program is now being made and will be published soon. Let every school in the county be represented at this convention. At a meeting of the executive committee a few days ago Prof. John Cobb resigned as secretary and treasurer, and Mr. John H. Vernon, of Burlington, was elected to fill the place. All moneys for the County and State work should be sent to him.

J. D. ANDREW, Pres. Alamance county Sunday-school Association.

The Work of Prof. Curtiss Appreciated.

Hertford, N. C., July 30.—Mr. Frank H. Curtiss, of Burlington, N. C., and Mrs. Kate Hayes Fleming, of Oxford, N. C., conducted the institute for the teachers of Perquimans county, July 18th to 29th, 1910.

It gives me pleasure to state that this was the best institute I ever attended, because it gave more practical work that the teachers could carry home and into their schools, than any institute I have ever attended.

The gentlemanly and dignified bearing of Mr. Curtiss won the respect and confidence of all, while his zeal was shared by the teachers.

His work was clear, methodical and concise, yet he covered the subjects taught as thoroughly as could be done in the time at his command.

A live interest in the work was kept up until the close of the institute.

W. G. GAITHER, County Superintendent.

THE COLLEGE BULLETIN

Opening Number—Valuable Educational Publication.

The Vacation Number of the Elon College Bulletin appeared in July. The Opening Number has just made its appearance. It is a thirty page publication handsomely printed, and illustrated with cuts of the College College buildings and Campus Scenes.

This bulletin discusses the reason for going to College, whether such education pays, how any one may have it if he will, under what environment it may best be had. It sets forth the cost of such education at Elon, which we find to be very reasonable, from \$112 to \$187 for ten months. There is also an article on College Patriotism, which it will repay anyone to read.

There are a few copies of this interesting and valuable publication yet left in the Dean's office. Those who would like to have a copy would do well to direct a post card to Dean W. A. Harper, Elon College, N. C., mentioning this paper, in which an advertisement of this institution will be found.

Miss Florence and Arthur Hoffman spent last week in the country the guest of relatives and friends.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CURENEY & Co., Toledo, O. Sold by Druggists, 75. Take Hall's Family Pills for constipation.
