

Not Coughing Today?

Yet you may cough tomorrow! Better be prepared for it when it comes. Ask your doctor about keeping Ayer's Cherry Pectoral in the house. Then when the hard cold or cough first appears you have a doctor's medicine at hand. Your doctor's approval of its use will certainly set all doubt at rest. Do as he says. He knows. No alcohol in this cough medicine. J. C. Ayer Co., Lowell, Mass.

Robust health is a great safeguard against attacks of throat and lung troubles, but constipation will destroy the best of health. Ask your doctor about Ayer's Pills.

Odd Facts About Clothing.

I have verily rarely mentioned, the subject of clothes, and this is the first time I have ever expressed myself publicly on that subject I may wear strange clothes myself, but I always ignore it because I find that, above all other things, this stamps a man a crank in the eyes of modern people.

Do you know that the character of the man who wears a high collar is different from the character of the man who wears a low collar; that they feel differently; that they have different conceptions of themselves; they think they belong to a little different sphere of life? The man with the high collar thinks he has something that the man with the low collar hasn't, and the man with the low collar thinks he has something that the man with the high collar hasn't, and they both look down with contempt upon the man with only a collar button and no collar at all.

We talk about the natives of Alaska with their totems and their idols, the strange figures that they worship, and we look down upon them because they worship the totem. But how much more a fantastic and strange object is that which many men worship—the shape of their hats? And it is even true that a man that wears one form of hat feels ashamed of himself if he has to go out on the street with another form of hat on.

If we had a man with a straw hat a man with a silk hat and a train, those two objects and those two men attempted to catch the train do you know which man would catch that train? You do don't you! Because you know the religion of that silk hat wouldn't allow that man to run. It would be ridiculous to run in a silk hat. But a straw hat allows little trivialities, and one of those trivialities is running providing that man wishes to run to catch a train because no running other than for a train is allowed by any hat whatever. — Raymond Neunson, in September Physical Culture.

Don't Experiment.

You Will Make No Mistake if You Follow This Advice.

Never neglect your kidneys. If you have pain in the back, urinary disorders, dizziness and nervousness, it's time to do no time to experiment. These are all symptoms of kidney trouble, and you should seek a remedy which is known to cure the kidneys.

Doan's Kidney Pills is the remedy to use. No need to experiment. It has cured many stubborn cases in this vicinity.

Can Burlington residents demand further proof than that contained in the following testimonial?

Mrs. Bryan Phillips, N. Maple Street, Graham, N. C., says: "I suffered for several years from a dull ache across the small of my back, accompanied by headaches and dizzy spells. My kidneys did not act properly and I became worried. After trying various remedies without finding relief, I procured a box of Doan's Kidney Pills and began their use. I felt relief from the first and before long I was free from kidney trouble. I now feel better in every way."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

After La Grippe

"I had suffered several weeks with LaGrippe. Had pains in my head and eyes. It felt as though there was a heavy weight on the top of my head, until it seemed that my brain would burst. I was so nervous that I could not rest or sleep. When I dozed off I would awake with a sudden jerking of my whole body. Dr. Miles' Nerve, Heart Remedy and Nerve and Liver Pills cured me. A number of friends have since realized the same benefits."

MRS. ALVIN H. LOCKS, Seabrook, N. H. The after effects of LaGrippe are often more serious than the disease, as it leaves the system in a weakened condition that invites more serious troubles, such as pneumonia, etc.

Dr. Miles' Restorative Nerve should be taken for some time to thoroughly restore nerve strength.

Dr. Miles' Nerve is sold by all druggists. If the first bottle does not benefit, your druggist will return your money.

MILES MEDICAL CO., Elkhart, Ind.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CUREY & Co., Toledo, O. Sold by Druggists, 75. Take Hall's Family Pills for constipation.
