

It May Be Pneumonia

"A hard chill, pain through the chest, difficult breathing. Then fever, with great prostration." If this should be your experience, send for your doctor. You may have pneumonia! If your doctor cannot come at once, give Ayer's Cherry Pectoral. When he comes, tell him exactly what you have done. Then do as he says. No alcohol in this cough medicine. J. C. Why It Succeeds

Because it's for One Thing Only, and Burlington People Appreciate this.

Nothing can be good for everything.

Doing one thing well brings success.

Doan's Kidney Pills do one thing only.

They cure sick kidneys.

They cure backache, every kidney ill.

Here is Burlington evidence to prove it.

J. C. Durham, Main St., Burlington N. C., says: "I have used Doan's Kidney Pills and in view of the results received, know that they are a splendid remedy for kidney complaint. I was subject to attacks of kidney trouble for some time, usually about every two or three weeks. A few months ago I procured a box of Doan's Kidney Pills at Freeman's Drug Store and used them as directed. I have had no kidney trouble since. I know that Doan's Kidney Pills brought about this change and for that reason have no hesitation in recommending them."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Prof. Curtiss Abroad.

The Thomasville correspondent of the Raleigh Evening Times under date of Sept. 3rd, has the following to say of our popular townsman:

Prof. Frank H. Curtiss, of Burlington, N. C., is in town for a day or two shaking hands and renewing acquaintance with many friends of former days.

Twenty years ago he came to Thomasville from South Carolina to accept the presidency of the Thomasville Female College. During his sojourn in our midst he made many warm friends who are glad to see him after the lapse of several years.

We are informed that our citizens are desirous of having Prof. Curtiss again assume control of the college and that a flattering proposition has been made to him. It is hoped that he may accept, but he has not yet signified his intention.

Since leaving Thomasville Prof. Curtiss has held the superintendency of graded schools as follows: Shelby, seven years, Mt. Airy, three years, and Burlington, nine years.

Since July 4th he has been engaged continuously in institute work and we are informed that he has done more institute work this summer than any other man in North Carolina.

Prof. Curtiss expresses himself as greatly surprised at the phenomenal growth of Thomasville. When he left our town the population was about seven hundred, today we number four thousand. Prof. Curtiss was impressed with the industrial life and business enterprise and was complimentary in his remarks to your correspondent concerning the apparent growth of Thomasville, and stated that during his travels over the state this summer, he had not seen a more progressive, thriving, business town. With the establishment of a board of trade, Prof. Curtiss spoke of several industrial enterprises that could and should be brought to Thomasville.

While in town Prof. Curtiss is the guest of our townsman, Hon. J. W. Lambeth.

W. W. Horne, who has been working at Danville, is in town for a few days.

Prevent and Relieve Headache

"It gives me great pleasure to be able to refer to Dr. Miles' Anti-Pain Pills as the best remedy we have yet had in our house for the prevention and cure of headache. My wife who has been a constant sufferer for a number of years with above complaint joins me in the hope that they may fall into the hands of all sufferers."

JOHN BUSH, Waterville, Me. Used Them Four Years.

"Dr. Miles' Anti-Pain Pills are the best I ever tried for the relief of headache. I have used them for nearly four years and they never fail to give me relief. I have tried many other remedies, but have never found any better."

JOSEPH FRANKOWICK, 854 Trombly Av., Detroit, Mich. There is no remedy that will more quickly relieve any form of headache than

Dr. Miles' Anti-Pain Pills. The best feature of this remarkable remedy is the fact that it does not derange the stomach or leave any disagreeable after-effects.

Druggists everywhere sell them. If first package fails to benefit, your druggist will return your money. MILES MEDICAL CO., Elkhart, Ind.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & Co., Toledo, O. Sold by Druggists, 75. Take Hall's Family Pills for constipation.
