Have you been reading the advertisements of N. S. Cardwell regarding the Walter A. Wood farm machines? According to the advertisements wood machines possess many valuable features which should be very attractive to all farmers who desire to make use of the machines that will do their work the quickest and best N. S. Cardwell will be very glad to have any of our readers call upon him to go over these machines. We would suggest to all who are thinking of buying new machines that they examine the wood line before placing their orders.
