Is The World Growing Better?

Many things go to prove that it is. The way thousands are trying to help others is proof. Among them is Mrs. W. W. Gould, of Pittsfield, N. H. Finding good health by taking Electric Bitters, she now advises other sufferers, everywhere, to take them. "For years I suffered with stomach and kidney trouble, she writes. "Every medicine I used failed till I took Electric Bitters. But this great remedy helped me wonderfully." They'll help any woman. They are the best tonic and finest liver and kidney remedy that's made. Try them. You'll see. 50c at Freeman Drug Co.

May Prove Fatal

When Will Burlington People Learn the Importance of it?

Backache is only a simple thing at first;

But when you know 'tis from the kidneys;

That serious kidney troubles follow;

That dropsy, Bright's disease may be the fatal end.

You will gladly profit by the following experience.

'Tis the honest statement of a sufferer who was cured.

Mrs. R. C. Phillips, Graham, N. C., says: "I am glad to continue to recommend Doan's Kidney Pills in a public way. Since this remedy cured me three years ago, I have had little cause to worry about my kidneys. I suffered a great deal for several years from dull pains across the small of my back and I was often very nervous. I felt weak and at times my sight was blurred. Soon after I began using Doan's Kidney Pills I improved, and it was not long before I was well."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Stopped Those Pains.

Timberville, Miss.—Miss Gertrude Gutlin of Timberville writes: "I did not know anything could stop those womanly pains, from which I suffered for two years, until I tried Cardui. I had been troubled with various female ailments, but they were cured in a little while, thanks to Cardui." Cardui is especially adapted for use by ailing women. It relieves headache, backache, dragging feeling, irregularly, nervousness, misery and womanly weakness. It is safe. It is reliable. It does the work. Will you try it? Please do.

An Alabama Corn Record.

Jerry Moore of South Carolina had better arrange next year to plow his corn patch once more than he ever did. E. A. Kimbrough, aged 16 years, of Alexander City, Ala., this year grew 224 3-4 bushels of corn on one acre of ground. Jerry Moore's world record last year was 228 bushels. Alabama's champion corn grower will get a \$250 Alabama raised mule as a prize at the State fair next week. Other contestants haven't turned in their reports, and it is not a foregone conclusion that young Mr. Kimbrough will get the mule, although he is entitled to a couple of mules. Through the various boys' corn clubs of Alabama our young farmers, and others, will probably gather enough of the stuff this year for Alabama's use during the next year.—Montgomery Advertiser.

Mr. Bryan has no word to say for that distinguished Democrat whom he once supported, Alton B. Parker.

Geyser Restored.

Washington, Oct. 20.—Referring to-day to recent publications relative to the restoration of the large fountain or geyser which for many years played at Round Knob, N. C., in sight of passing trains on the Southern Railway, President Finley said:

"There seems to be some misapprehensions as to the restoration of this geyser. On a trip which he made through Western North Carolina several months ago, Mr. George F. Baker, of New York, noted that the geyser was no longer flowing. Inquiries having satisfied him that it would be practicable to restore it, he arranged to have the work done entirely at his expense as a testimonial of his high appreciation of the great service rendered by his friend, Colonel Alexander B. Andrews, of Raleigh, N. C., First Vice-President of the Southern Railway Company, in the development of Western North Carolina.

"The restoration is now under way and the new geyser will soon be in operation, throwing a column of water 250 feet in the air."

Awful Tragedy.

Timely advice given Mrs. C. Willoughby, of Marengo, Wis., (R. No. 1) prevented a dreadful tragedy and saved two lives. Doctors had said her frightful cough was a "consumption" cough and could do little to help her. After many remedies failed, her aunt urged her to take Dr. King's New Discovery. "I have been using it for some time," she wrote, "and the awful cough has almost gone. It also saved my little boy when taken with a severe bronchial trouble." This matchless medicine has no equal for throat and lung troubles. Price 50c and \$1.00. Trial bottle free. Guaranteed by Freeman Drug Co.
