

A Hope Deferred.

[Hartford Courant.]

With a whole winter before him, the President does not have to say all that he has a desire to say to Congress in a single message in early December. It isn't at all necessary—though, unfortunately, it has become customary—for the President to extend and distend his usual message with abstracts of the reports of his constitutional advisers, the heads of the executive departments. The honorable senators and the representatives can very well read the reports for themselves; indeed, that's part of the work for which the country pays them. We may add that in this era of newspapers, telegraphs, etc., they go to Washington in December much more fully informed as to the "state of the Union" than the members of the early Congresses did. For making them sit up and take notice of any specific policy or project of legislation the President may have specially at heart, there's nothing like the well-written special message; it hits the nail on the head and drives it home. The annual messages have been growing more and more voluminous for a long time now, and they have not gained in influence and effectiveness by their increase in bulk. A return toward the conciseness of the early presidents—or of Abraham Lincoln—would be a very welcome minor reform in this age of reform.

EXPRESS MESSENGER DEAD; SAFE LOOTED OF MONEY

Scranton, Pa., Nov. 17.—Between 8:26 and 8:30 o'clock tonight, Express Messenger Irvin G. Barger of this city was killed and the safe in his car looted as it sped between Taylor and this city on the Delaware, Lackawanna & Western road.

The train left North Cumberland at 5 o'clock. It made its regular stop at Taylor just to the south of the Scranton city line. Barger was seen by train hands during the minute that the train was stopped at Taylor. When the train arrived at the Scranton station at 8:30, four minutes later, Barger was lying dead in a pool of blood on the floor of the car, with his head battered in. Doctors later found a bullet in his brain. It entered at the base of the skull. His revolver, usually worn in a holster at his side, was found in the express safe, and the safe was looted. It is said that between \$1,500 and \$2,000 is missing.

The robber or robbers, it is supposed, got into the car at Taylor, committed the deed, and dropped off the train as it slowed up on entering the Scranton yards.

Barger was 45 years old and lived in South Scranton.

Saved Many From Death.

W. L. Mock, of Mock, Ark., believes he has saved many lives in his 25 years of experience in the drug business. "What I always like to do," he writes, "is to recommend Dr. King's New Discovery for weak, sore lungs, hard colds, hoarseness, obstinate coughs, lagrippe, croup, asthma or other bronchial affection, for I feel sure that a number of my neighbors are alive and well today because they took my advice to use it. I honestly believe it's the best throat and lung medicine that's made." Easy to prove he's right. Get a trial bottle free, or regular 50c or \$1.00 bottle. Guaranteed by Freeman Drug Co.

A BALD-HEADED WOMAN.

Shorn of Her Crown of Beauty, Loses In Love and Marriage.

Hair is certainly most necessary to woman. Who could love and marry a bald-headed woman? What charm could one array to offset such a disfigurement?

A woman's goal is usually love and marriage. Her crowning glory is her hair. The loss of her hair mars her beauty, happiness, and success. There are thousands of women who are neglecting or injuring their hair to such an extent that it is only a matter of time when it will be utterly ruined.

Many women destroy the beauty of their hair through thoughtlessness or ignorance of certain facts. They use curling irons over-heated, or to excess which destroys the natural oil of the hair, causing it to split, break, and come out. They do not shampoo their hair often enough, or too often. They use soaps or preparations which contain ingredients positively harmful to the scalp and hair.

As a result of such treatment, dandruff is created, the hair loosens, loses color, falls out, and baldness commences, unless proper and prompt precautions are taken in time. Then again, microbes and certain diseases bring about unhealthy scalp and hair conditions.

Almost any woman may rid herself of dandruff and diseased scalp and hair if she will but use the right remedy. We have that remedy, and we will positively guarantee that it will either relieve dandruff and baldness or it will not cost the user anything.

That's a pretty broad statement, but we will back it and prove it with our own money. We will return your money if you do not find that Rexall "93" Hair Tonic is an entirely satisfactory remedy that will promote hair growth and overcome scalp and hair troubles; that it will grow hair even on bald heads, unless all life in the hair roots has been extinguished, the follicles closed, and the scalp is glazed and shiny. It gets its name from the fact that it grew hair in 93 out of 100 cases, where it received a thoroughly hard, impartial, and practical test.

We want you to try Rexall "93" Hair Tonic at our risk. You surely cannot lose anything by doing so, while you have everything to gain. You had better think this over, and then come in and see us about this offer. You will be well repaid for your visit to our store. Remember, you can get Rexall Remedies in this community only at our store—The Rexall Store.

DOCTORS FAILED. RESTORED BY PERUNA.

Catarrh of the Lungs Threatened Her Life.

Miss Ninette Porter, Braintree, Vermont, writes: "I have been cured by Peruna."

"I had several hemorrhages of the lungs. The doctors did not help me much and would never have cured me. "I saw a testimonial in a Peruna almanac of a case similar to mine, and I commenced using it.

"I was not able to wait on myself when I began using it. I gained very slowly at first, but I could see that it was helping me.

"After I had taken it a while I commenced to raise up a stringy, sticky substance from my lungs. This grew less and less in quantity as I continued the treatment.

"I grew more fleshy than I had been for a long time, and now I call myself well."
