Copyright 1909, by C. E. Zimmerman Co.—No. 49

IT is not as easy to get a foothold in business or to own real estate as it was a generation or two ago. The easiest and surest way to be prepared for the winter of life is to put money in the bank. Money in the bank goes a long way towards insuring a happy Christmas and it always enables Santa Claus to visit your home. You can see examples every year at this time of unhappy families who have no bank account. Start your bank account at once and you will always be prepared for this event in the future.
