MRS. R. L. BOYD, Supt.

Why Burlington Should Have Meat And Milk Inspection.

Because meat and milk comprise a large percentage of the diet of man and, although the meat intended for interstate shipment is inspected by trained men appointed by the United States Government, our real danger lies in the non-inspection of the fresh meat consumed by our people.

"Now that meats derived from diseased animals cannot be shipped interstate, the live-stock dealer will ship his diseased animals to our state on the hoof." Therein lies the danger. The local butcher perhaps does not know the animal is diseased; it is slaughtered under unsanitary conditions, and perhaps left uncovered to dust and flies. We buy, eat of it in its almost raw state, as in rare steak which is the most nourishing of diets provided the meat is free from disease, never stopping to think that we may be taking the germs of tuberculosis or other diseases into our systems.

To prevent this, some form of inspection or supervision should be adopted and a trained man placed in charge of the work.

As with meat so it is with milk. Milk is the commonest raw food consumed and is more often the means of transmission of diseases than all other raw foods combined. In many instances epidemics of Typhoid fever, Scarlet fever, Diphtheria and of many other diseases have been directly traced to the milk supply.

Often Tuberculosis is contracted in this way. It is stated by authorities that five per cent of the cows examined in various parts of North Carolina are tuberculous.

"The death rate of children under two years of age in the United States is 80,000 a year, due mainly to impure milk."

A lady once went to the noted Dr. Osler, bemoaning her fate and telling him that God had taken her child from her, to which the Dr. promptly replied—"madam, do not blame God with your misfortune, it was bad milk that killed your baby." Since milk is the one universal food and the adult is often times dependent upon it for nourishment as well as the infant, it is essential that only pure milk be consumed. When as much is at stake, it is only just to our people that we have a graduate veterinarian or a graduate of medicine to look after the milk supply.

FOR YOUR HAIR.

Here Are Facts We Want You to Prove at Our Risk.

When the roots of the hair are entirely dead and the pores of the scalp are glazed over, we do not believe that anything can restore hair growth.

But, when the hair roots retain any life, we believe there is nothing that will so surely promote hair growth as will Rexall "93" Hair Tonic. To prove that statement, we promise to promptly return all the money you pay us for Rexall "93" Hair Tonic, should it not please you.

Rexall "93" Hair Tonic destroys the germs which are usually responsible for baldness. It penetrates to the roots of the hair, stimulating and, by promoting circulation, nourishing them.

Rexall "93" Hair Tonic helps to relieve scalp irritation, to remove dandruff, to prevent the hair from falling out, and to promote an increased growth of hair. It comes in two sizes, prices 50 cents and \$1.00. Remember, you can obtain it only at our store - The Rexall Store.

Split, Quit, Fit.

Hines, Ala. - In a letter from this place, Mrs. Eula Mae Bradley says: "I used to spit up all I ate. I was tired and sleepy all the time. My head ached, and I could hardly drag around. Since taking Cardui, this has entirely quit, and now I feel quite fit." Mrs. Bradley suffered from nervous indigestion. Cardui builds up the nervous system, and strengthens the womanly constitution. That's why Cardui helped Mrs. Bradley and why it will help you. Try it.

Rev. D. M. Loy, of Gastonia, N. C. filled the pulpit at the Methodist Protestant church last Sunday night, delivering a very interesting and helpful sermon. Rev. Mr. Loy is a former Burlington citizen, and has many friends here who were glad to see him again and hear him preach.

Scholarship For Sale.

I will sell at a discount a \$50 Scholarship in one of LHE BEST Business Colleges in the country. Scholarship is good at College or for a Home-Study Course. Address JNO. DOE, care this paper.

Comforting Words

Many a Burlington Household Will Find Them So.

To have the pains and aches of a bad back removed; to be entirely free from annoying, dangerous urinary disorders is enough to make any kidney sufferer grateful. To tell how this great change can be brought about will prove comforting words to hundreds of Burlington readers.

George Ledford, 260 W. Market St., Greensboro, N. C., says: "I think just as highly of Doan's Kidney Pills now as I did some years ago, when I gave a public statement, recommending them. I have had little or no kidney trouble since that time. For quite awhile I suffered from pains in the small of my back and I was annoyed by irregular passages of the kidney secretions. Sometimes I was confined to my bed and I knew that I was gradually growing weaker. Hearing of the benefit other people had obtained from Doan's Kidney Pills, I got a box of this remedy and began its use. I was restored to health and strength in a short time and the symptoms of kidney complaint were disposed of."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name--Doan's--and take no other.
