DUAL HOMICIDE AT DANVILLE, VA.

Danville, Va., Dec. 13.—In a humble home on a suburban street the bodies of Mrs. Fannie New Pinnix and her husband, William G. Pinnix, tonight lie dead as a result of a dual homicide at 4 o'clock this afternoon, committed by the husband, Pinnix, who is a former employe of the freight department of the Southern Railway and a member of a prominent North Carolina family, left letters and memoranda showing he had planned the tragedy as long ago as Thanksgiving day.

The husband was in poor health and had been drinking recently. This afternoon while his son was lying down in an adjoining room and husband and wife together, Pinnix, without warning, fired upon the unsuspecting wife twice in quick succession, one ball entering the right temple, the other the cheek. She collapsed in a dying condition just as the son rushed in. At that moment the father turned the weapon upon himself and sent a bullet through his right temple, the ball emerging at the left side of the head. He died at 8 o'clock without regaining consciousness.

Two hours before the tragedy Pinnix had turned over to his son to be delivered to a friend a package of letters and papers, impressing their importance upon the boy. Most of these letters were written to "Mrs. Maria New Pinnix" and couched in terms of endearment. They are signed "A." One of Pinnix's letters identifies the anonymous writer as "A. Bridges," formerly an insurance solicitor here, now of Richmond. While clean in verbiage, these letters show an intimacy which impelled Pinnix to his homicidal act.

The slain woman is a daughter of W. W. New, formerly wealthy and prominent socially here. Pinnix is a son of Colonel Pinnix, deceased, of Yanceyville, N. C. Both families are prominently connected here. Two children, a son, W. G., Jr., 18 years old, and daughter, Polly, aged 12, are orphaned.

Ends Winter's Troubles.

To many, winter is a season of trouble. The frost-bitten toes and fingers, chapped hands and lips, chilblains, cold-sores, red and rough skins, prove this. But such troubles fly before Bucklin's Arnica Salve. A trial convinces. Greatest healer of burns, Boils, Piles, Cuts, Sores, Bruises Eczema and Sprains. Only 25c at Freeman Drug Co.

For Quiet Streets Near Public Schools.

"To promote the quietude of pupils and teachers in the public schools," Alderman John A. Bolls wants an ordinance passed prohibiting heavy vehicular traffic during school hours on streets immediately bounding public schools, just as such traffic is now prohibited on hospital streets. Mr. Bolls has introduced such an ordinance at the request Mrs. Isaac L. Rice, the anti-noise crusader, and a public hearing will be had on it soon. The ordinance authorizes the borough presidents to erect signs designating the school streets and to repave the streets surrounding the school buildings with less noisy pavement whatever possible; calls on the police commissioner to see that vehicular traffic is diverted from the streets in question between the hours of 8:45 a. m. and 3:15 p. m. and provides a fine of \$10 or imprisonment for ten days as a penalty for driving through a school street at a pace faster than a walk.—New York Evening Sun.

FOUND \$10,000 HIDDEN IN OLD WOODEN LEG

Oklahoma City, Okla., Dec. 14.—An old wooden leg may not be much of a legacy, but when it contains \$10,000, Jacob Randall, a pauper at the poor farm of Canadian county, thinks it worth having. The leg was given to him by Alexander P. Hamilton, a supposed pauper at the farm just before he died a few days ago. Last night Randall discovered the roll of money in the stock of the artificial limb. If Hamilton had relatives they are not known here.

Hanging In Opera House.

Jackson, Ga., Dec. 14.—William Turner, the negro preacher who incited the race riot which resulted in the killing of Jesse Singley, a wealthy planter, was hanged here shortly after noon in King's opera house.

The sheriff had intended to hang the negro in the jail yard but the weather was very disagreeable and relatives of the murdered man wanted to be present, so he decided to have the execution in the opera house. A gallows was erected on the stage and the execution passed off without incident.

The boxes and front seats were occupied by relatives and friends of the murdered man. Before the trap was sprung, the negro confessed that he fired the shot that killed Singley and warned members of the race against whiskey drinking. Three sons of Turner are in jail awaiting trial for the same crime for which the father was hanged.

Saved His Wife's Life.

"My wife would have been in her grave today," writes O. H. Brown, of Muscadine, Ala., "if it had not been for Dr. King's New Discovery. She was down in her bed, not able to get up without help. She had a severe bronchial trouble and a dreadful cough. I got her a bottle of Dr. King's New Discovery, and she soon began to mend, and was well in a short time." Infallible for coughs and colds, its the most reliable remedy on earth for desperate lung trouble, hemorrhages, lagrippe, asthma, hay fever, croup and whooping cough. 50c, \$1.00. Trial bottle free. Lightning Kills Few.

In 1906 lightning killed only 169 people in this whole country. One's chances of death by lightning are less than two in a million. The chance of death from liver, kidney or stomach trouble is vastly greater, but not if Electric Bitters be used, as Robert Madsen, of West Burlington, Ia., proved. Four doctors gave him up after eight months of suffering from virulent liver trouble and yellow jaundice. He was then completely cured by Electric Bitters. They're the best stomach, liver, nerve and kidney remedy and blood purifier on earth. Only 50c. at Freeman Drug Co.
