It is only a short time until the Alamance court convenes. If judging the future by the past if any one has killed his fellowman, stold anything, committed any crime of any kind, just get you up a little money or a heap of money and you can come out. If the court convicts you, get you up a petition and a little "money" (now don't forget your little money) go around to the lawyers and jury (keep your money with you) and get signers where you can. Then to the Hon. Judge (always taking a little money) and then go down to Raleigh to see the Gov. but don't forget your money and you can come out all O. K. That is justice that lessens crime makes good citizens but especially get the church members to get up the petition and sign it.

AVOID HARSH DRUGS.

Many Cathartics Tend to Cause Injury to the Bowels.

If you are subject to constipation, you should avoid strong drugs and cathartics. They only give temporary relief and their reaction is harmful and sometimes more annoying than constipation. They in no way effect a cure and their tendency is to weaken the already weak organs with which they come in contact.

We honestly believe that we have the best constipation treatment ever devised. Our faith in it is so strong that we sell it on the positive guarantee that it shall not cost the user a cent if it does not give entire satisfaction and completely remedy constipation. This preparation is called Rexall Orderlies. These are prompt, soothing, and most effective in action. They are made of a recent chemical discovery. Their principal ingredient is odorless, tasteless, and colorless. Combined with other well-known ingredients, long established for their usefulness in the treatment of constipation, it forms a tablet which is eaten just like candy. They may be taken at any time, either day or night, without fear of their causing any inconvenience whatever. They do not grip, purge, nor cause nausea. They act without causing any pain or excessive looseness of the bowels. They are ideal for children, weak, delicate persons, and aged people, as well as for the most hearty person.

They come in three size packages 12 tablets, 10 cents; 36 tablets 25 cents; 80 tablets, 50 cents. Remember, you can obtain them only at our store—The Rexall Store
