WOMAN ADMITS MURDERING 8 INFANTS

New York, Feb. 23.—The mystery of eight deaths of babies in the Brooklyn Nursery and Infants' hospital was solved tonight the police say, by the confession of Winifred Ankers, a kitchen woman at the hospital admitting that she placed oxalic acid in the babies' milk bottles.

Winifred Ankers is 24 years old. She came to the hospital last July with her infant and, after placing the baby in the care of the hospital, found work in the kitchen. She had been regarded as a phlegmatic sort of character, but occasionally displayed temper, complaining of the small pay and poor food she said she received.

SUFFERED 23 YEARS

Constant Sufferer From Chronic Catarrh Relieved by Peruna.

Mrs. J. H. Bourland, San Saba, Texas, writes: "For twenty-three years I was a constant sufferer from chronic catarrh. I had a severe misery and burning in the top of my head. There was almost a continual dropping of mucus into my throat, which caused frequent expectoration. My entire system gradually became involved, and my condition grew worse. I had an incessant cough and frequent attacks of bilious colic, from which it seemed I could not recover. My bowels also became affected, causing alarming attacks of hemorrhages. I tried many remedies, which gave only temporary relief or no relief at all. I at last tried Peruna and in a few days I was relieved of the bowel discharges. After using five bottles I was entirely cured. I most cheerfully recommend the use of Peruna to any one similarly afflicted."

The Men Who Succeed

as heads of large enterprises are men of great energy. Success, today, depends health. To all is to fail. It's utter folly for a man to endure a weak, run-down half alive condition when Electric Bitters will put him right on his feet in short order. "Four bottles did me more real good than any other medicine I ever took," writes Chas. B. Allen, Sylvania, Ga. "After years of suffering with rheumatism liver trouble, stomach disorders and deranged kidneys, I am again, thanks to Electric Bitters, found and well." Try them. Only fifty cents at Freeman Drug Co.

Heroism and Rare Presence of Mind of Wilmington Colored Man.

Wilmington, Feb. 29.—Master Albert Loughlin, little son of Mr. and Mrs. E. B. Loughlin, of No. 116 Church street, was seriously burned yesterday about noon when his clothing, caught fire from a match. The lad and a little playmate, both dressed in cowboy uniforms, were playing on the street, and the fringe on the leg of the little fellow's trousers ignited from a match. The flames spread rapidly over his clothing. The child's screams attracted the attention of a colored man driving a delivery wagon who wrapped him in some sacks on his wagon, smothering the flames. His prompt action is probably what saved the little one from being fatally burned.

Uncle Ezra Says

"It don't take more'n a gill uv effort to git folks into a peck of trouble" and a little neglect of constipation, biliousness, indigestion or other liver derangement will do the same. If ailing, take Dr. King's New Life Pills for quick results. Easy, safe, sure, and only 25 cents at Freeman Drug Co.

BEST AND HEALTH TO MOTHER AND CHILD.
The following is a true story of a mother who has been suffering for many years by millions of worms in her children. She writes: "I was a constant sufferer from chronic catarrh. I had a severe misery and burning in the top of my head. There was almost a continual dropping of mucus into my throat, which caused frequent expectoration. My entire system gradually became involved, and my condition grew worse. I had an incessant cough and frequent attacks of bilious colic, from which it seemed I could not recover. My bowels also became affected, causing alarming attacks of hemorrhages. I tried many remedies, which gave only temporary relief or no relief at all. I at last tried Peruna and in a few days I was relieved of the bowel discharges. After using five bottles I was entirely cured. I most cheerfully recommend the use of Peruna to any one similarly afflicted."

FREE IF IT FAILS.

Your Money Back if You Are Not Satisfied With the Medicine We Recommend.

We are so positive that our remedy will permanently relieve constipation no matter how chronic it may be, that we offer to furnish the medicine at no expense should it fail to produce satisfactory results.

It is worse than useless to attempt to cure constipation with cathartic drugs. Laxative or cathartics do much harm. They cause a reaction, irritate and weaken the bowels and tend to make constipation more chronic. Besides, their use becomes a habit that is dangerous.

Constipation is caused by a weakness of the nerves and muscles of the large intestine or descending colon. To expect permanent relief you must therefore tone up and strengthen these organs and restore them to healthier activity.

We want you to try Rexall Orderlies on our recommendation. They are exceedingly pleasant to take, being eaten like candy, and are ideal for children, delicate persons, and old folks, as well as for the robust. They act directly on the nerves and muscles of the bowels. They apparently have a neutral action on other associate organs or glands. They do not purge, cause excessive looseness, nor create any inconvenience whatever. They may be taken at any time, day or night. They will positively relieve chronic or habitual constipation, if not of surgical variety, and the myriads of associate or dependent chronic ailments, if taken with regularity for a reasonable length of time. 12 tablets, 10 cents; 36 tablets, 25 cents; 80 tablets, 50 cents. Sold only at our store—The Rexall Store FREEMAN DRUG CO.

Caught in a Rain.

Douglasville, Tex. — "Five years ago I was caught in the rain at the wrong time," writes Edna Rutherford, of Douglasville, "and from that time, was taken with dumb chills and fevers, and suffered more than I can tell. I tried everything that I thought would help, and had four doctors, but got no relief. I took Cardui, the woman's tonic. Now, I feel better than in many months." Cardui does one thing and does it well. That's the secret of its 50 years of success. Try Cardui.

Paint Lick Sick Lady

Paint Lick, Ky.—Mrs. Mary Freeman, of this place, says: "Before I commenced to take Cardui, I suffered so much from womanly trouble, I was so weak that I was down on my back nearly all the time. Cardui has done me more good than any medicine I ever took in my life." You need not be afraid to take Cardui. It is no new experiment. Composed of gentle-acting, herb ingredients, it has been found to safely relieve headache, backache and similar female troubles. Try it for your troubles.
