Burlington Has to Bow to the Inevitable—Scores of Citizens Prove It.

After reading the public statement of this representative citizen of Burlington given below, you must come to this conclusion: A remedy which cured years ago, which has kept the kidneys in good health since, can be relied upon to perform the same work in other cases. Read this: Mrs. L. Loy, Dixie St., Burlington, N. C., says: "I know Doan's Kidney Pills to be a good medicine for kidney trouble and I willingly endorse them. A member of my family suffered from weak kidneys for several years and at times was unable to attend to her work. I got a supply of Doan's Pills from the Freeman Drug Co., and their use made a wonderful improvement."

Progress Is Satisfactory.

Washington, D. C., March 9.—Senator John H. Bankhead, chairman of Representative Oscar W. Underwood's national campaign committee, in a statement today announced that the progress of Mr. Underwood's candidacy for the Democratic presidential nomination was altogether satisfactory. "We have had hundreds of expressions from all parts of the country pledging support," he said. "These proffers have come from quarters wholly unexpected, and in many instances from people and sections hitherto believed to be committed to other candidates."

"Mr. Underwood has had numerous calls to make public addresses during the campaign, but these he has consistently declined because of his high conception of a complete and full performance of the duties involved in his position as majority leader of the house."

Baseball fans are beginning to make noises indicating that they are about to wake up.
