You are Shown the Way Out.

There can be no just reason why any reader of this will continue to suffer the tortures of an aching back, the annoyance of urinary disorders, the dangers of serious kidney ills when relief is no near at hand and the most positive proof given that these ills can be cured. The following is convincing proof: Levi R. Tickle, Elon College, N. C., says: "For many years I was afflicted with kidney trouble, the pains in the small of my back being quite severe. My back ached intensely at night, was lame in the morning and bothered me greatly when I stooped or lifted. I tired easily, felt languid and nervous and had dizzy spells, during which my sight became badly blurred. Three or four times every night I had to get up to pass the kidney secretions and a sediment was noticeable in them. I lost twenty-five pounds in weight and had about given up all hopes of recovering when Doan's Kidney Pills were brought to my attention. In four or five days they relieved me and I have every reason to believe they will cure me in a short time. I cannot say too much in their praise." For sale by all dealers. Price 50 cents.
