**FLOYD ALLEN, FIFTH GANG**

Wytheville, Va., May 12.—Floyd Allen's jury today found him guilty of murder in the first degree. Death in the chair is the penalty.

After a night of deliberation which at one time threatened disagreement, the jury today rendered its verdict. Sentence pronounced, as Allen may be a witness in the trials of the five murders in Carroll County, as Allen was charged with the five murders in Carroll County on March 1 at Hillsville on March 1, the Allen gang swooped out of the Blue Ridge and wiped out the human family the institution. Clerk G. the only official who escaped.

A sparsely filled courtroom heard the end of the trial today. The jury had thought that fear of an such as marked the verdict at Hillsville might today. It was impossible ever. Officers searched entered the room.

The other prisoners will be tried immediately. Claude, Friel and Victor Byrd Marion and Sidna are under indictment for the murders. Sidna Allen, a lawyer Edwards, two other members of the gang, are captured in the fastness of Blue Ridge.

When court opened today the jury was called in and the man questioned by Judge. The jurors declared that a number of points of doubt existing in the panel and doubtful whether a verdict would be reached. Judge Staples declared the case was one of magnitude, he felt he must bring the jury back with a few words of caution and advice. When a number of minutes were thrown together in deliberation for a long period with all their thoughts centered upon the case, it was but natural that there should be a tendency to views and positions. At this tendency, he said, there was another tendency of the mind to fix deep rooted mind unwarranted opinions and earnest effort to convince.

Judge Staples declared that he had not been sworn in to reach one corner of the guilt or innocence of the accused. He said if the jury should find that issue in an individual opinion, they were wrong to themselves, tended violence to their obligation and grave either to the commonwealth or the accused.

The jury again retired was but a short time before a pronouncement was made. The verdict had been reached. The court reassembled to read the verdict of "guilty" charged in the indictment.

Judge Staples held the verdict was not the proper form. The man then explained the verdict was one of guilt in the first degree, the penalty of electrocution.

Floyd Allen was charged with the murder of Commonweal attorney William M. Foster in the Carroll county house at Hillsville last week when the trial of Floyd Allen culminated in the killing of the persons—Presiding Judge L. Massie, Prosecutor J. M. Foster, Sheriff Webb, Miss Elizabeth Juror Augustus Fowl news of the shooting in court created a sensation and a thrill of horror throughout the country.

The tragedy created the little mountain side Hillsville where the man always held the Allen in deadly terror. A several of the Allens following shooting, but five of the Allens escaped to the mountains. Rewards for their arrest in three of them being paid to Sidna Allen, lead clerk, and Wesley Edwards, nephew, still are at large.

The other prisoners, expected, will be tried immediately. On the first ballot taken by the jurors the vote stood 10 to 2 in the first degree murder in the second degree. This vote remained unchanged until Judge Staples had addressed the jury this morning after they pronounced they were reached an agreement.

The verdict came as a surprise as it was the jury was hopelessly one of the twelve men
