Doan's Kidney Pills are for weak kidneys.

Local evidence proves their MERIT.

Mrs. Bertha A. Stanfield, 1015 Dixie St., Burlington, N. C., says: "I suffered from severe attacks of backache for four years. I was stiff and sore all through my body and pains extended from my kidneys into my head. After these attacks, which usually lasted for a week or ten days, I was extremely weak and miser-able. The doctors could do nothing for me, and the various remedies I took did me no good until I began using Doan's Kidney Pills. The contents of three boxes cured me and in the past year I have not had any recurrence of my former complaint. I am bound to look upon my cure as a permanent one."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Ladies, Gentlemen, and Rural Carriers of Alamance County:

While I am always glad with you upon these occasions, yet I am sorry that you seem fit to call upon me to make these few remarks. To subject that will interest even were I able to deliver within itself a very difficult task about politics is a bad taste, to talk about religion upon such an occasion would fall upon the ears of some religiously minded persons. But both religion and politics are barred by the Civil Service Commission from having any in the selections of eligible rural service, and it should be omitted here. prohibition while so many tigers are abroad in the no tax can be had upon hand, would be out of place beside this is not the time to talk good roads is always interesting but rather dry. Then upon what subject find attentive listeners willing ears. My own opinion is that upon occasions like these should speeches, or rather as far efforts go in that direction attempt at speech. There should be innocent of amusement, music, social entertainment, of old friendship, and the of new friends and acquaintances.

With only this thought, eat, drink and be merry, tomorrow you will have the same old route. On some old roads, with the old horse and vehicle, better and more lovable. Better because you have closer together, and upon one another better, more able because of the closeness and the better understanding.
