Editor's Circulation.

An editor was dying—the few he had—were around his bed weeping. Not so much about his dying, but how his family was to live. The doctor tiptoed in. He felt his pulse. He put his head to the editor's heart—where it should be. The doctor drew a wise sympathetic breath, and, in a low, professional tone, said: "Poor man. He will soon be dead. His circulation is all about gone." The dying editor jumped up and yelled: "You are a liar! We have the largest circulation in the country." The doctor took what is called "pellagra" and has not been heard of since.—Ex.

Dangerous.

Congressional legislation to prevent shipment of liquor in the prohibition States is recommended by the general assembly of the Presbyterian church. Perhaps the gentlemen of the cloth do not realize that if they try to inaugurate the sort of prohibition which prohibits, the public will stop voting for it. A local instance of the joys of dodging prohibition is the arrest this week of a number of persons at Azusa on a charge of conducting blind pigs and of patronizing them. The same community which does this probably wouldn't buy half as much liquor from the open saloon.—Los Angeles (Cal.) Times.

\$100 REWARD, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarh. Hall's Catarh Cure is the only positive cure now known to the medical fraternity. Catarh being a constitutional disease, requires a constitutional treatment. Hall's Catarh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. Cheney & Co., Toledo, Ohio. Sold by all Druggists, 75c. Take Hall's Family Pills for constipation.
