Convention Proceedings.

Chicago, June 19.—Roosevelt members of the credentials committee acting under the specific orders of Colonel Roosevelt broke out of the committee room at 10:30 tonight after attempting to beat open the doors and bring all newspaper men into the room.

The doors of the committee room were suddenly thrown open by J. J. Sullivan of Ohio, who rushed out with the cry, "All Roosevelt men walk out."
He was followed by Hugh T. Halbert of Minnesota, Francis J. Henry of California, George L. Record of New Jersey, and other Roosevelt men. As they pushed open the swinging doors after Sullivan they cried out to the newspaper men:
"All newspaper men come inside and see what they are trying to do to us."

Colonel Thayer, assistant sergeant-at-arms, shouted to the koorkeeper to admit no one. The Roosevelt forces shouted again for every one to come in. Mr. Thayer called for policemen who pushed their way through and kept the crowd from getting in.

The Roosevelt men rushed out, saying they were acting under orders of Colonel Roosevelt.
"Everybody go to the Florentine room at the Congress shout-ed one man.

They rushed outside, followed by the crowd and in the street outside the Coliseum they were overtaken by Secretary William Hayward.

"Why did you act that way?" he demanded of Heney. "Why did you not wait until some rules had been passed?"

"We are acting under the direct orders of Colonel Roosevelt," retorted Heney.

"We are obeying a better general than you," shouted George L. Record of New Jersey. "He told us to leave that room and we did it."

Hugh T. Halbert declared the brake came as the result of the refusal of the majority in the committee to open up all evidence in the cases. Mr. Halbert presented resolutions asking that the temporary roll of the convention be considered only as prima facie evidence of the right of delegates to sit; and that all evidence, testimony be gone into.

He declared the committee refused to do this and attempted to "gag" the minority by making rules that would have left the action of the national committee as practically decisive in all the contests.

Mr. Heney later came back to the lobby and urged the Roosevelt contestants to go to the Florence room of the Congress where the Roosevelt headquarters are located and be heard by the members of the credentials committee representing Roosevelt.
