No Reason For It

You are shown the way out. There can be no just reason why any reader of this will continue to suffer the tortures of an aching back, the annoyance of urinary disorders, the dangers of serious kidney ills when relief is so near at hand and the most positive proof given that these ills can be cured. The following is convincing proof:

Levi R. Tickle, Elon College, N. C., says: "For many years I was afflicted with kidney trouble, the pains in the small of my back being quite severe. My back ached intensely at night, was lame in the morning and bothered me greatly when I stooped or lifted. I tired easily, felt languid and nervous and had dizzy spells, during which my sight became badly blurred. Three or four times every night I had to get up to pass the kidney secretions and a sediment was noticeable in them. I lost twenty-five pounds in weight and had about given up all hopes of recovering when Doan's Kidney Pills were brought to my attention. In four or five days they relieved me and I have every reason to believe they will cure me in a short time. I cannot say too much in their praise."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

FREE TICKET TO KNOXVILLE

Your railroad fare will, under reasonable conditions, be paid to Nashville or Knoxville, Tenn., by Draughon's Practical Business College, if you attend the College.

Many of the most successful men in Knoxville and Nashville were formerly North Carolina boys who got their start by attending Draughon's College. The College gives a written contract to secure a position under reasonable conditions, or refund tuition.

The college will send you a catalogue, also a card, explaining all about its plan of paying railroad fare. Address Draughon's Practical Business College, Nashville, or Knoxville, Tenn.

King George will go up in his airship next, a report which directs attention to the fact that monarchs looking for excitement nowadays have to get it out side of business hours.

A Girl's Wild Midnight Ride.

To warn people of a fearful forest fire in the catkills a young girl rode horseback at midnight and saved many lives. Her deed was glorious but lives are often saved by Dr. King's New Discovery in curing lung trouble, coughs and colds, which might have ended in consumption or pneumonia. "It cured me of a dreadful cough and lung trouble," writes W. R. Patterson, Wellington, Tex., "after four in our family had died with consumption, and I gained 87 pounds." Nothing so sure and safe for all throat and lung troubles. Price 50c and \$1.00. Trial bottle free. Guaranteed by Freeman Drug Co.

A Hero In A Lighthouse.

For years J. S. Donahue, So. Haven, Mich., a civil-war captain, as a lighthouse keeper, averted awful wrecks, but a queer fact is, he might have been a wreck, himself, if Electric Bitters had not prevented. "They cured me of kidney trouble and chills," he writes, "after I had taken other so called cures for years, without benefit and they also improved my sight. Now, at seventy, I am feeling fine." For dyspepsia, indigestion, all stomach, liver and kidney troubles, they're without equal. Try them. Only 50 cts. at Freeman Drug Co.

"So that cranky old author is married at last!"
