### A Resident of Burlington Shows the Way.

Only one way to cure a bad back.

Liniment and plasters may relieve it; They won't cure it. Backache means sick kidneys. Doan's Kidney Pills are for bad kidneys.

Burlington people back them up.

Read a case of it: Mrs. R. L. Wheeler, Lakeside Ave., Burlington, N. C., says: "I am a strong believer in Doan's Kidney Pills as they cured me of backache and other annoying symptoms of kidney complaint after other had failed. My back was certainly in a wretched condition. I could hardly climb a flight of stairs and it was impossible to stoop. I was also bothered by dizzy spells and headaches. A relative finally advised me to try Doan's Kidney Pills and I did so with satisfactory results. My health began to mend at once and I now feel like a different woman."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., New York, sole agents for the United States.

The woods continue as full of suckers as the ocean is of fish. The Asheville Gazette-News says: "Each day another victim comes forward and tells the investigating committee how fond that Mme. Nina Lester the palmist who recently left this city for parts unknown was raising the latest run something like this: A man in this city who considered by all who know him to be a conservative business man wanted to engage in a new line of business so he consulted the madam and she advised him to get five \$100 bills and put them into a bag then tie said bag over his heart and sleep with it thus and to report to her the next day. He did so, and she then told him that she would have to sleep with the bag tied over her heart in order to work the conjure." He readily agreed to this and was told to call the next day and she would give him the advice he asked and return the money. He has called at the house, No. 18 Merrimon avenue, every morning since, but of course the madam has failed to show up.
