PLEASE AGAIN ALMOST FIGHTS

Gaffney, S. C., August 8.—Governor Blease was prevented from fighting with one of his hecklers in the crowd at a political meeting here today only by the chairman and the police. A girl presented him with a bouquet of flowers. He picked up the child, saying, "Look at the love and confidence this baby has in me."

"Because she does not know any better," shouted a voice in the crowd. "If you come up town, you dirty liar," replied the Governor, I'll give you the worst beating a coward ever got."

"No need to go up town," the voice replied. "Come back here and try it now."

FOUND!

A certain amount of money. If the owner will call at the law offices of E. S. W. Dameron and furnish proper evidence of the amount and character of the money, same will be returned, less the expense of this advertisement.

Hiram Maxim has invented a sixth sense for steamships to enable them to tell when danger is at hand, but what is really needed is a little of the common variety for the captain and crew.

Little Elmer—"Well, I'll try awfully hard to be good papa, 'cause if you can't take me you won't have any excuse for going yourself, and I don't want to disappoint you."

Champ Clark's gotta quit kick-in' that naval bill aroun'.

Saves Expensive Trips

IT WAS NECESSARY for the Attorney to have a personal talk with a client in a distant city. The journey would seriously interfere with several important engagements made for the day.

We used the Long Distance Bell Telephone, had a satisfactory talk with his distant client and was able to keep all his engagements at home.

The Long Distance Bell Telephone increases the efficiency of business men who adapt it to their needs. It can serve you with equal satisfaction and economy.
