> the Directors of the Greensboro Northern and Altantic Railroad Company Held in the City of Greensboro on Sept. 10th.

The President stated to the

Board that some apprehension had arisen in the towns of Bulington and Graham to the effect that if the subscription in the Burlington and Graham Townships were voted on favorably the locations of the road might subsequently be changed to the disadvantage or inconvenience of these two towns, and that he had on the day before, had a meeting of a committee of citizens of the two towns for the purpose of giving them assur ance to which he felt they were entitled in the matter, and on motion duly seconded it resolved. that, it is the full purpose of the company, if the subscriptions in the Burlington and Graham. Townships are voted upon favorabiy, w ntly locate its line approximately along one of its present surveys, and that the company would in no event avail of these subscriptions unless this line is located and constructed so as to afford station accommodations within the corporate limits of Burlington and within the corporate limits of Graham. In the case of Burlington, not to be in any event farther than three-

icable in the construction and location of the road. We judge by Senator Borah's remarks that he considers mooseism about as necessary as a fur overcoat on the fourth of
