**Letter from Mr. Thompson.**  
John H. Vernon, Esq.  
Chr. Dem. Ex Committee  
for Alamance County and  
W. W. Brown, Esq.  
Chairman Prog. Ex Com.

Dear Sirs:  
Having entered the present  
political campaign upon a reform  
platform and several of the  
democratic candidates, having  
expressed to me their disapproval  
of the use of money in this  
campaign except for actual legiti-  
mate expenses, I hereby chal-  
lenge you to take a decided stand  
with reference to this issue. Do  
you condemn the use of money  
to debauch the franchise and cor-  
rupt the ballot? Do you also  
condemn all political in trigue  
and chicanery used in the past  
to defeat an opponent? Do you  
believe that all such methods to  
secure an election should be con-  
demned by both the press and  
the pulpit?

Are you willing to give every  
man a "square deal" and let  
each a didate stand or fall upon  
his own merits and the principles  
he represents?  
If so, are you willing to re-  
quest all the democratic candi-  
dates, their friends and co work-  
ers, to refrain from the use of  
money in the present campaign  
except for actual legitimate ex-  
penses to refuse to countenance  
and any under handed scheme or  
political trickery, and thus help  
to remove the stigma of political  
corruption that now rests upon  
our beloved county? Hoping to  
hear from you at your earliest  
convenience, I have the honor to  
be.

Very Respectfully Yours,  
J. A. W. Thompson.

**Large Crowd Come to see Roose-  
velt.**  
Between three and four thou-  
sands people, assembled at the  
depot Tuesday to see and hear  
Col. Theodore Roosevelt, the Pro-  
gressive Candidate who spoke  
for ten minutes. The special on  
which Col. Roosevelt traveled  
arrived here on schedule time,  
the great throng of people having  
gathered more than an hour to  
hear and see this great American  
citizen. He came here from

Asheville, leaving there early in  
the morning and making a num-  
ber of stops speaking to the vast  
assemblies which had gathered  
at the stations along the way.  
While here the Col. spoke of boss  
rule, he said each of us want to  
rule his own life and if mistakes  
are to be made them ourselves  
and not have some one make  
them for us. The Col. voice was  
in bad shape from having spoken  
so much his physician having  
advised him not to speak between  
Asheville and Raleigh. Among  
the party from this place who  
were escorting his special car  
were Jas. N. Williamson, Jr.,  
and Mr. Erwin Holt. We are  
told that only one town between  
Asheville and Raleigh had more  
people than Burlington present  
to see and hear the Col. Roose-  
velt and that was Durham, and  
we are not sure if Durham had  
us beat. Quite a number of our  
citizens pressed forward with  
eagerness to shake the Col. hand  
if his hand could not be reached  
they were content to just touch  
his garment, and thereby say  
they had touched the garment of  
the greatest living American ci-  
tizen.

We were especially proud of  
the non-partisan cordial greeting  
given this great man.

**Helps the Farmer to Sell**

**THE FARMER** was worried over the market  
reports. Cotton was rising. When it reached  
a certain figure he proposed to sell. The day  
before it had almost reached his price. What  
would it bring today?

The farmer needed first-hand information at once. He  
stepped to his Bell Telephone. The Long Distance connection  
with the buyer in a distant city informed him that cotton had  
reached the top figure, and he sold his crop at a handsome profit.

The Universal Bell System enables the producer in remote  
rural districts to keep in touch with market conditions without  
the necessity of leaving home.

By the way, have you a Bell Telephone?
