

DON'T DELAY

Some Burlington People Have Learned That Neglect is Dangerous.

The slightest symptom of kidney trouble is far too serious to be overlooked. It's the small, neglected troubles that lead to serious kidney ailments. That pain in the "small" of your back; that urinary irregularity; those headaches and dizzy spells; that weak, weary, worn-out feeling, may be nature's warning of coming dropsy or fatal Bright's disease. Why risk your life by neglecting these symptoms? Reach the cause of the trouble while there yet is time—begin treating your kidneys at once with a tried and proven kidney remedy. No need to experiment—Doan's Kidney Pills have been curing kidney trouble for over 50 years. Doan's Kidney Pills are used and recommended throughout the civilized world. Convincing testimony follows:

T. C. Bradshaw, Mill St., Graham, N. C., says: "I cannot say too much in praise of Doan's kidney pills, and I strongly urge anyone suffering from kidney trouble to at least give this remedy a fair trial. I had pains in my back for nearly two years and nothing was of permanent benefit until Doan's Kidney Pills were tried. They helped me from the first and before long I was completely rid of backache. My cure has proven permanent."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name Doan's—and take no other.

Lower Freight Rate Is Asked For This State.

Washington, Oct. 9—Corporation Commissioners McNeil Travis and Lee appeared before the interstate commerce commission to-day and asked that a rate of 9 cents per 100 pounds be given Greensboro, Hickory, High Point, Charlotte and other towns in the state on freight from Lynchburg. A rate of 9 cents is now in force on the Durham and Lynchburg railroad and the commission is asked to give a similar rate to the above named towns.

Miss Mary C. Farmer, of Flat Rock, N. C., was admitted to practice law before the district bar by the Supreme court of the District of Columbia to-day. There were 147 lawyers admitted and Miss Farmer was the only woman among them.

Two Extracts From Mr. Roosevelt's Testimony Before The Senate Investigating Committee Last week.

In cross-examination regarding campaign contributions Mr. Roosevelt asked the following questions: "As a practical man would you naturally think that some of these people might be expecting favors?" Colonel Roosevelt replied as follows: "As a practical man of high ideals, who has always endeavored to put his ideals in practice I think any man who would believe that he would get any consideration from making any contribution to me was either a crook or a fool." (Applause)

In his general statement before the Committee, in explaining why he conferred with Mr. Hariman and Mr. Archbold, Mr. Roosevelt used the following language: "I have always acted, and always shall act, upon the theory that if, while in public office, there is any man from whom I think I can gain anything of a value to the Government, I will send for him and talk it over with, no matter how widely I differ with him on other points."

"I have actually sent for, while I was President, trust manates, labor leaders, Socialists, John L. Sullivan, Battling Nelson, Dr. Lyman Abbott. I could go on indefinitely with the list of people whom at various times I have seen or sent for. And if I am elected President again I shall continue exactly the same course of conduct, without the deviation of a hair's breath. And if ever I find that my virtue is so frail that it wont stand being brought in contact with either a trust magnate or a Socialist or a labor leader, I will get out of public life."

Pe-ru-na and Ka-tar-no

I have received a letter from a young lady, who asks me: "Is the old Pe-ru-na (Ka-tar-no) better than the revised Pe-ru-na?" Either medicine has its place. One adapted for one condition, another for another. Ka-tar-no is a better remedy for some conditions than the revised Pe-ru-na. On the other hand, the revised Pe-ru-na is a better remedy for some conditions than Ka-tar-no. They are both intended as catarrh remedies. They have both done a great work in relieving catarrh, chronic and acute. Many hundreds of cases of chronic catarrh have recovered while taking Ka-tar-no and the same is true of the revised Pe-ru-na during the last six years since its revision.

There is a difference, however, in the two remedies. Whenever catarrh is associated with constipation, then the revised Pe-ru-na is the best. Indeed, this is exactly why the revision was made, to meet such cases. But where no laxative is needed, where the bowels are regular or inclined to be loose, then the old Pe-ru-na (Ka-tar-no) is the better remedy. The revised Pe-ru-na is for sale at all drug stores. Those wishing to obtain Ka-tar-no, address The Ka-tar-no Co., Columbus, Ohio.

One of the most startling changes ever seen in any man, according to W. B. Holsclaw, Clarendon, Tex., was effected years ago in his brother.
