

Clipped From The Yellow Jacket.

Doc Wilson is academic: he is sophomore—but he'll look like a freshman hazed at North Carolina's University about November 6th.

A vote against Wilson is a vote to keep the factories open and give the American wage earner a decent wage. Vote true and you'll never regret it.

The Progressive is an evolution. The Socialist party declares it is a revolution. That's the difference enough.

If Wilson is elected the working people as well get ready for free soup and idleness, for that is the next station over the hill.

Willyum Jabberwhack Bryan says that Woodrow Wilson will carry every state in the Union. Poor Old Bill, do you believe in a hell?

Vote it straight for the Bull Moose. He stands for protection and we all know we can't afford to have a Democratic free trade show—and all the factories close.

If the Democrats really believe that Woodrow Wilson is going to win then we don't blame them for not wanting to contribute much to the campaign fund. They know they will need their money bad enough in a few months.

Governor Marshall says Roosevelt left the Republican party because of the non-support—but that wasn't it. He got all the he wanted from the Republican—his was the parting of the ways with bosses only.

Should Wilson win it won't be three weeks still you will hear Democrats saying they wish to God it hadn't happened. And in less than three years it will have ripened into a veritable cyclone.

Haven't you heard ministers preach against Sunday base ball and open saloons? To be sure you have. But lots of them don't mean a word of it. Woodrow

VALUABLE ADVICE.

Burlington Citizens Should Profit By The Following Statement.

Doan's Kidney Pills cured this Burlington resident. Their merit was shown—the story told. Now comes further evidence. The testimony is confirmed. The remedy was tested—the cure lasted. Could Burlington residents demand stronger proof?

It's Burlington testimony. It can be investigated.

Mrs. Ella Hughes, Dixie St., Burlington, N. C., says: "I gladly verify the statement I have previously given recommending Doan's Kidney Pills. This remedy never fails to bring me entire relief when I have occasion to use it. I suffered from backache, caused by week kidneys and I also had dizzy spells. Since I got Doan's Kidney Pills from the Freeman Drug Co., I have had no serious trouble of this kind. I am always glad to give this preparation my endorsement."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name Doan's—and take no other.

TWINS, BORN IN HOSPITAL AS T. R. ARRIVED, VISIT HIM.

Chicago, Ill., Oct. 17.—Two callers on Colonel Roosevelt today were twins, Joseph and Francis Washe, who were born just as Colonel Roosevelt was being brought into the hospital Tuesday morning.

Mrs. D. F. Washe of Chicago, their mother, sent them down to "interview" the colonel. Their method was to cry lustily as each was taken on his left arm. "They are good Bull Moose timber," smiled Colonel Roosevelt to the nurses; "they aren't afraid to voice their protest against a situation or condition they believe unjust. Congratulate their mother for me."

Mrs. Roosevelt gave the babies a motherly pat as they were being taken back to their mother.

Three little girls—Evelyn Appleton, 9 years old; Florence Hubert, 8 and Viola Kraft, 12—living a few blocks from the hospital, today pooled the savings in their toy banks and invested the fund, amounting to \$1.35, in roses and carnations, garnished with fern leaves and put together by their own hands and brought them to Colonel Roosevelt.

The colonel directed that the flowers replace costly orchids in a vase at his bedside. Then he sent the children a bunch of lilies of the valley. Mrs. Roosevelt took the flowers to them.

Wilson is a local optionist and Marshall is a Sunday base ball advocate and yet there are lots of Democrat preachers who will walk right out and vote for Wilson and Marshall and thank the Lord for the opportunity. And you will go right out and listen to these preachers spell some more against licker and Sunday base balls. Ain't we a getting to be a set of Christians anyway? Heh?

Pe-ru-na and Ka-tar-no

S. B. Hartman, M. D.

I have received a letter from a young lady, who asks me: "Is the old Pe-ru-na (Ka-tar-no) better than the revised Pe-ru-na?" Either medicine has its place. One is adapted for one condition, another for another. Ka-tar-no is a better remedy for some conditions than the revised Pe-ru-na. On the other hand, the revised Pe-ru-na is a better remedy for some conditions than Ka-tar-no. They are both intended as catarrh remedies. They have both done a great work in relieving catarrh, chronic and acute. Many hundreds of cases of chronic catarrh have recovered while taking Ka-tar-no and the same is true of the revised Pe-ru-na during the last six years since its revision.

There is a difference, however, in the two remedies. Whenever catarrh is associated with constipation then the revised Pe-ru-na is the best. Indeed, this is exactly why the revision was made, to meet such cases. But where no laxative is needed, where the bowels are regular or inclined to be loose, then the old Pe-ru-na (Ka-tar-no) is the better remedy.

The revised Pe-ru-na is for sale at all drug stores. Those wishing to obtain Ka-tar-no, address The Ka-tar-no Co., Columbus, Ohio.

One of the most startling changes ever seen in any man, according to W. B. Holsclaw, Clarendon, Tex., was effected years ago in his brother. "He had such a dreadful cough," he writes, "that all our family thought he was going into consumption, but he began to use Dr. King's New Discovery, and was completely cured by ten bottles. Now he is sound and well and weighs 218 pounds. For many years our family has used this wonderful remedy in Coughs and Colds with excellent results." It's quick, safe, reliable and guaranteed. The Love Letters of a Confederate General

WE BEGIN in the November issue a series of real love-letters written over fifty years ago by one of our national heroes to his sweetheart during the period of '61 to '65. This great general will go down to posterity as having accomplished one of the most brilliant feats of arms in the history of the world. He was as great a lover as he was a general, therefore these letters combine authentic history and exquisite romance. They sound a human note that no other work of literature has done in a decade; it is war, it is romance, it is history, it is literature. You simply can't afford to miss this wonderful series—an inside story of the Civil War now published for the first time and containing all the freshness of a contemporary happening. These letters will grip you hard, and hold your interest from first to last. Fill out the coupon and send it now before you forget it.
