

FIRM FOUNDATION.

Nothing Can Undermine It in Burlington.

People are sometimes slow to recognize true merit, and they cannot be blamed, for so many have been hum-bugged in the past.

Mrs. Sarah Andrews, Webb Ave., Burlington, N. C., says: "I am always willing to give Doan's Kidney Pills my endorsement, knowing from personal experience that they are a good remedy for kidney trouble."

LASTING EFFECT.

On January 14, 1911, Mrs. Andrews was interviewed and she said: "I am glad to make the fact known that the cure effected by Doan's Kidney Pills three years ago has been permanent."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name Doan's—and take no other.

"True To Poll."

Alluding to our social-betterment program Mr. Wilson asked: "With that program who can differ in his heart, who can divorce himself in sympathy with the great object of advancing the interests of human beings wherever it is possible?"

Our sympathy for the program of social betterment is not alone with our hearts—it is with our heads and with our hands as well. There is no use whatever in harboring sympathy in one's heart for a movement, unless one is prepared actively to help that movement along.

Now, I do not value such purely platonic fidelity as is implied in having a heart "true to Poll" and a conscience that does not interfere with all of the other marriages; and in just the same way I am interested in, but not convinced by the statement that the hearts of our opponents are "true to Poll"—with our principles, though at the same time with head and hand they oppose the only platform that deals with these principles and the only party that can realize them.—Theodore Roosevelt, in Saturday Evening Post, October 24.

A Card of Thanks.

We appreciate the kindness and goodness of our friends and neighbors at the time of William Boone's sickness and death for it was only one day of sickness. We are thankful to one and all. Claud Ross and wife.

RURAL CARRIER EXAMINATION

at Graham and Burlington for Alamance county Saturday Nov. 16, 1912.

The United States Civil Service Commission announces an examination on the date and at the places named above, as a result of which it is expected to make certification to fill a vacancy in the position of rural carrier at Mebane and other vacancies as they may occur on rural routes at post offices in the above-named county, unless it shall be decided in the interests of the service to fill the vacancy by reinstatement, transfer, or promotion.

Age limit, 18 to 55, on the date of the examination. The maximum age limit is waived in cases of persons honorably discharged from the United States military or naval service.

An applicant must have his actual domicile in the territory supplied by a post office in the county for which the examination is announced.

The examination is open to all male citizens of the United States who can comply with the requirements. Application Form 1341, and full information concerning the requirements of the examination, can be secured from the secretary of the local examining board or the postmaster at any of the places named above, or from the U. S. Civil Service Commission, Washington, D. C.

Applications should be properly executed and filed with the Commission at Washington. As examination papers direct from the Commission to the places of examination, it is necessary that applications be received in ample time to arrange for the examination desired at the place indicated by the applicant. The Commission will therefore arrange to examine any applicant whose application is received in time to permit the shipment of the necessary papers.

An eligible register for the position of rural letter carrier for each county will be maintained. A person must be examined in the county in which the post office that supplies his home is situated. As a result of such examination he may become eligible to appointment as rural carrier at any post office in such county. A rural letter carrier after one year's satisfactory service may be transferred to the position of clerk or carrier in a first or second class post office, to the position of railway mail clerk, or to the other position in the classified service, subject to such examination as may be required by the civil service rules.

JOHN C. BLACK, President.

Eligibles on registers established prior to March 1, 1912, can be considered for appointment only at the office for which they were examined. Such eligibles may be examined within one year from the date of their former examinations upon failing applications showing that they meet the requirements of the new examination, their old eligibility for their home offices not being canceled.

Pe-ru-na and Ka-tar-na

I have received a letter from a young lady, who asks me: "Is the old Pe-ru-na (Ka-tar-na) better than the revised Pe-ru-na?" Either medicine has its place. One is adapted for one condition, another for another. Ka-tar-na is a better remedy for some conditions than the revised Pe-ru-na. On the other hand, the revised Pe-ru-na is a better remedy for some conditions than Ka-tar-na. They are both intended as catarrh remedies. They have both done a great work in relieving catarrh, chronic and acute. Many hundreds of cases of chronic catarrh have recovered while taking Ka-tar-na and the same is true of the revised Pe-ru-na during the last six years since its revision.

There is a difference, however, in the two remedies. Whenever catarrh is associated with constipation then the revised Pe-ru-na is the best. Indeed, this is exactly why the revision was made, to meet such cases. But where no laxative is needed, where the bowels are regular or inclined to be loose, then the old Pe-ru-na (Ka-tar-na) is the better remedy. The revised Pe-ru-na is for sale at all drug stores. Those wishing to obtain Ka-tar-na, address The Ka-tar-na Co., Columbus, Ohio.

Almost A Miracle.

One of the most startling changes ever seen in any man, according to W. B. Holsclaw, Clarendon, Tex., was effected years ago in his brother. "He had such a dreadful cough," he writes, "that all our family thought he was going into consumption, but he began to use Dr. King's New Discovery, and was completely cured by ten bottles. Now he is sound and well and weighs 218 pounds. For many years our family has used this wonderful remedy in Coughs and Colds with excellent results." It's quick, safe, reliable and guaranteed. The Love Letters of a Confederate General

WE BEGIN in the November issue a series of real love-letters written over fifty years ago by one of our national heroes to his sweetheart during the period of '61 to '65. This great general will go down to posterity as having accomplished one of the most brilliant feats of arms in the history of the world. He was as great a lover as he was a general, therefore these letters combine authentic history and exquisite romance. They sound a human note that no other work of literature has done in a decade; it is war, it is romance, it is history, it is literature. You simply can't afford to miss this wonderful series—an inside story of the Civil War now published for the first time and containing all the freshness of a contemporary happening. These letters will grip you hard, and hold your interest from first to last. Fill out the coupon and send it now before you forget it.
