

WINNERS APPRAISE PATRONAGE LIST.

Washington, Nov. 6.—Upwards of thirty millions of dollars will be the money value of the patronage that will be at the disposal of President-elect Wilson when he comes into the White House. This represents an army of office-seekers that will aggregate about 12,000. These two facts more than any other thing indicate the terrific pressure that will be brought to bear upon the White House and the unceasing hours of toil and labor that is before the new chief executive without regard to questions of public policy, and legislation along the lines of the party pledges and the public utterance of the candidate.

The offices named in the accompanying table are not protected by the civic service. They are at the disposal of the president and the demand for their immediate transfer from Republican incumbents to Democratic aspirants may be insistent. By a stroke of the pen many more could be removed from the shelter of the civic services.

President McKinley, who succeeded Cleveland, found so many Republicans clamoring for the offices from which for four years they had been ejected, that he made many exceptions and in great measure, under pressure, negated the force of the civil service law.

When Cleveland succeeded Harrison he went to the other extreme and declined to violate either the letter or the spirit of that law, and but few Democratic officials were appointed except administrative heads who were responsible either as chief or subordinate officials for the policy of the administration. How Mr. Wilson will act upon the return to power of his party, and the long absence from the public crib is a question that remains to be answered.

Socialists Polled Big Vote.

Seattle, Wash., Nov. 7.—Fourteen hundred and fifty precincts out of 1,903 in the state give for Governor Lister, Democrats, 78,187.

Hay, Republican, 77,527. For President, 1,238 precincts give: Roosevelt 70,162; Wilson 57,169; Taft 44,182.

The socialist vote in the state probably was three times that of 1908. In Snohomish county, Debs polled nearly 3,000 votes and Anna Maley, the candidate for governor, received more votes than either Hay or Lister.

WILSON CERTAIN TO CALL

EXTRA SESSION OF CONGRESS EARLY.

Session Will Be Called Between March 15 and April 15.

Washington, D. C., Nov. 8.—As forecast exclusively in the Daily News Thursday morning, President-elect Wilson will convene an extra session of Congress soon after he takes his seat in the White House March 4. The day of meeting will be between March 15 and April 15. The shortest tariff session on record is predicted. The backbone of the intended revision is available in the steel, wool, cotton, chemicals and sugar bills passed by the Democratic house and forced through the senate under the leadership of Senator Simmons of North Carolina.

The new Congress providing only that the senate is Democratic

and this is as certain as anything can be, is expected to put through substantially the same measures passed last summer and vetoed by President Taft. The sole difference is that the Democratic legislators will now do their work with the knowledge that the reformed bills will be approved by the President.

Incoming members of Congress who have fought Wilson's battle both before and after his nomination to-day poohpoohed the rumor that the President-elect may wait until the regular session, a year from December, before undertaking to carry out the party's platform pledge of downward tariff revision; also the statement of Oscar Underwood, of Alabama, floor leader of the house and chairman of the ways and means committee, given out at Birmingham, is viewed as dissipating all doubt about this subject. Mr. Underwood regards the calling of an extra session a matter of course.

The dire prediction of business depression as to the result of Democratic tariff legislation is not taken seriously here. As one house leader today put it, President Wilson is too astute a man to "fall for such luff." In fine, the congressional leaders are confident new legislative, revising the tariff schedule by schedule, can quickly be put through Congress; as quickly put on the statutes and immediately proven a stimulus to rather than a drag upon business.

Geographical conditions absolutely prevent any protest on the part of Great Britain to the effect the Panama Canal ought to be moved so that it will be handier to London.

Dr. Hartman Answers Questions About The Revised Pe-ru-na

S. B. HARTMAN, M. D.

In response to a great many queries I wish to make public statement concerning the sale of Pe-ru-na. We are not selling as much Pe-ru-na as we used to. The reason for this is the change in the formula of Pe-ru-na. The patent medicine business is very peculiar and particular. A person who has been in the habit of taking patent medicine will notice very quickly the slightest alteration in color, taste or effect. It does not look as it used to, or smell as it used to, or have exactly the same taste as it used to. It does not feel exactly the same in the stomach as before. The medicine will be promptly returned to the drug store and a new bottle demanded.

After a year of explanation the formula of Pe-ru-na was changed. The other Pe-ru-na had been equipped with a new formula. It was a new thing to do now-a-days. Pe-ru-na as it is made today is very excellent remedy for catarrh, general catarrhal ailments. It is sold in all drug stores and has slight laxative effect, very much needed in these days. It seemed to me that it was in many ways a better remedy than before. Yet in spite of explanations there is a considerable demand for the old Pe-ru-na as it used to be made.

I have authorized the formation of a company to manufacture it under the trade name of Ka-tar-no. The Ka-tar-no Co. is located in Columbus, Ohio and stands ready to supply the demand with the old-time formula of Pe-ru-na under the name of Ka-tar-no.

"Then Shall Not Steal" To William H. Taft the country is that they are condoned by the people. A stolen nor the presidency leads to the humiliation. The power of this high great enough, when used, to defy the will of the people. The Republican national convention was not great enough to cast from a defeat upon the history of popular government. The man who when power, betrayed the people party that had honored him, and who to dominate by fraud ratifies his party's mandate to return to the power in Cincinnati. May he never have to poor a record as his country.
