

MURDER IN SECOND DEGREE THE VERDICT AGAINST SIDNEY ALLEN

Witheville, Va., Nov. 22nd. — Guilty of murder in the second degree was the verdict of the jury in the case of Sidna Allen, for the murder of Judge Thornton L. Massie at Massie at Hillsville, Va., March 14th last, when the Allen clansmen shot up Carroll county court, killing five persons. Punishment was fixed at 15 years in the State penitentiary at Richmond.

The case was given to the jury at 5 o'clock yesterday afternoon, but they were unable to reach an agreement until 1 o'clock this afternoon. On the first ballot the jury stood five for first degree, one for second degree, and six for acquittal.

Immediately after the discharge of the jury the prosecution announced that it would next take up another indictment against the prisoner, that charging the murder of Commonwealth's attorney William M. Foster, and court fixed December 2 as the date of trial. It was announced that the next venire would be summoned from different places and from the eastern part of the state.

Until the case of Sidna Allen is disposed of, nothing will be done in the case of his nephew, Wesley Edwards.

The prisoner received the verdict with no show of emotion, which was also true of his wife, who sat beside him. However, the strain of the trial shows plainly; he has lost a great deal of flesh and appears careworn and dejected.

William P. Jackson Will Succeed Rayner

Baltimore, Nov. 29. — Governor Reagan National committee appointment of William P. Jackson, Republican National Committee member for Maryland, to succeed the late United States Senator Isidor Rayner.

will serve until the future, which meets in 1914, fills what will then be the unexpired term of three years. The Legislature at that time will elect a successor for John Walter Smith (D.), whose term will expire in 1915.

Jackson is a resident of the city, has been closely associated with the Governor, and is a political campaigner in the recent campaign he was the leader of the Taft forces in this

State. Mr. Jackson is 44 years old and a business man of large and varied interest, chief of which is the manufacture of lumber. He is reputed to be a millionaire. His uncle, the late E. E. Jackson, was Democratic Governor of Maryland from 1888 until 1892.

Mr. Jackson was twice married. He has four children, two of whom were by his first wife, who died several years ago.

After reading the public statement of this representative citizen of Burlington given below, you must come to this conclusion. A remedy which cured years ago which has kept the kidneys in good health since, can be relied upon to perform the same work in other cases. Read this:

Mrs. L. Loy, Dixie St., Burlington, N. C., says: "I know Doan's Kidney Pills to be a good medicine for kidney trouble and I willingly endorse them. A member of my family suffered from weak kidney for several years and at times was unable to attend to her work. I got a supply of Doan's Pills from the Freeman Drug Co., and their use made a wonderful improvement."

The Irish Exile's Thanksgiving.

Thanksgiving day tomorrow! How the years have glided by! Since the day when, borne westward o'er the deep, We watched our dear old Ireland fade in the eastern sky Like dream of heaven fading in our sleep.

Our hearts were sore, my Mary dear, and hope had well nigh fled, Bringir g sorrow to the threshold of despair,

As we bade adieu to loved ones, and to our kindred dead, Who lie where Shannon greets the sea in Clare.

But as, in track of setting sun, our ship sped o'er the tide, 'Till a new land proudly rose above its crest. I felt the pangs of parting less, for you were by my side, While our first-born nestled on your breast.

That new land is our home, Mary, the heaven meant by God To shelter sons and daughters of our race.

When forced by cruel laws to leave the ever-dear old sod, Where freedom is denied abiding place.

Beneath its star-decked banner we have lived for many years, Enjoying God-sent happiness and health.

And few have been our sorrows, dear, nor shed we any tears That honest toil brought east instead of wealth.

God bless this foster land of ours, where freedom carved a throne On which to reign 'till time shall pass away;

May virtue be her heritage and liberty her own, That is my prayer on each Thanksgiving day.
