### MAN COUGHS AND BREAKS RIB.

After a frightful coughing spell a man in Neenah, Wis., felt terrible pains in his side and his doctor found two ribs had been broken. What agony Dr. King's New Discovery would have saved him. A few teaspoonful ends a late cough, while persistent use routs obstinate coughs, expels stubborn colds or heals weak, sore lungs. "I feel sure it's a Godsend to humanity," writes Mrs. Effie Morton, Columbia, Mo. "for I believe I would have consumption to day if I had not used this great remedy." Its guaranteed to satisfy, and you can get 50 cent or \$1.00 size at Freeman Drug Store.

### Greece Won't Sign.

London, Dec. 6.—Pending the assembling of the peace delegates in London, the Balkan allies are occupied in preparing a joint draft of the demands which are to be made upon Turkey, and it is understood, exchanging communications with a view to arriving at an agreement defining their own mutual obligations. The formal acceptance of all the powers to send delegates to the ambassadorial conference to be held in London have not yet been received but there is no reason to suppose there will be any delay in the assembling of the conference. The position of Greece in refusing to sign the armistice remains unchanged.

## Constipation and Catarrh

S. B. HARTMAN, M. D.

You are constipated. You have taken laxatives a great many years. You have tried to select a diet that would keep your bowels regular. In this you have failed and were obliged to go back to your laxatives again. This, I say, has been going on many years. You also have a slight catarrh in the head and throat. You never imagined that the catarrh had anything to do with the constipation. Suppose I were to tell you that as long as you have that catarrh you will never get better of your constipation. Would you believe me? Well, whether you would believe me or not it is the truth.

For many years I have been wrestling with the problem of furnishing the public an internal catarrh remedy. Peruna has been the remedy that I have devised and it has certainly relieved many thousands of people, of chronic catarrh. Constipation was my chief difficulty in treating these cases. I often felt that it would be better if a laxative element were added to Peruna. I feared to do so, however, first because of the number of catarrhal patients who needed no laxative, and second I was afraid of making such a radical change in a remedy that was already doing so well. Thus it was that I continued to prescribe with the Peruna, a bottle of Manalin to those who needed a laxative. At last, under circumstances explained in my booklet, I was constrained to add the laxative element to Peruna. This constitutes what is now known as the revised Peruna. Now those who take Peruna will, first, find themselves promptly relieved of their constipation. Second, the catarrh will gradually disappear. And once the catarrh is cured the constipation leaves permanently. Then if you follow the advice given in my book, you will never have to take pills any more. Cathartics and laxatives you can ignore. You will be permanently relieved of both your catarrh and the constipation. PERUNA IS FOR SALE AT ALL DRUG STORES. SPECIAL NOTICE—Many persons are making inquiries for the old-time Peruna. No such would say, this formula is now put out under the name of KA-TAR-NO, manufactured by KA-TAR-NO COMPANY, Columbus, Ohio. Write them and they will be pleased to send you a free booklet.

## Telephone Saved Child's Life

One of the children fell into a water tank on an Alabama farm and was rescued unconscious and apparently lifeless. The frantic mother rushed to the telephone and called the doctor six miles away. He told her what to do and started at once, but before he arrived the child was out of danger.

The protection of women and children is only one of the chief values of the telephone on the farm.

You can have this service at small cost. See the nearest Bell Telephone Manager or send a postal for our free booklet.

### New Board of County Commissioners and other Officers.

Monday being the first Monday in December, it was the day for the newly elected officers to be inducted into office. The new Board consists of Messrs. Geo. T. Williamson, W. H. Turrentine, C. H. Roney, J. C. F. Cates and W. H. Fogleman, the first two having been members of the last Board and the last three new members. Mr. Roney served on the Board several years ago. When they had taken the oath of office, they proceeded to elect a chairman, the choice falling on Mr. Williamson, who has served several terms in that capacity.

Next in order was the induction into office of the Register of Deeds, the Sheriff and the Treasurer, Messrs. Chas. D. Johnston, R. N. Cook, and A. J. Thompson, respectively, who tendered their bonds and took the several oaths of office. These three gentlemen, as is known throughout the county, are their own successors.

At the commencement of the business year there was no business of any considerable importance to be attended to. The reports required to be made by the various officers and Justices of Peace were filed. A number of accounts were filed and allowed.

The new Board is composed of good, competent men who know how to do business and it is confidently believed the affairs of the county will be well managed. To aid them, let the people hold up their hands and post them in regard to the needs of the different sections.—Gleaner.
