Couldn't Walk!

"I used to be troubled with a weakness peculiar to women," writes Mrs. Anna Jones, of Kenny, Ill. "For nearly a year, I could not walk, without holding my sides. I tried several different doctors, but I grew worse. Finally, our druggist advised Cardui for my complaint. I was so thin, my weight was 115. Now, I weigh 163, and I am never sick. I ride horseback as good as ever. I am in fine health at 52 years."

TAKE CARDUI The Woman's Tonic

We have thousands of such letters, and more are arriving daily. Such earnest testimony from those who have tried it, surely proves the great value of this vegetable, tonic medicine, for women.

Cardui relieves women's sufferings, and builds weak women up to health and strength. If you are a woman, give it a trial. It should help you, for it has helped a million others. It is made from pure, harmless, herb ingredients, which act promptly and surely on the womanly organs. It is a good tonic. Try it! Your druggist sells it.

ENDS HUNT FOR RICH GIRL.

Often the hunt for a rich wife ends when the man meets a woman that uses Electric Bitters. Her strong nerves tell in a bright brain and even temper. Her peach bloom complexion and ruby lips result from her pure blood; her bright eyes from restful sleep; her elastic step from firm, free muscles, all telling of the health and strength Electric Bitters give a woman, and the freedom from indigestion, backache, headache, fainting and dizzy spells they promote. Everywhere they are woman's favorite remedy. If they weak or ailing try them. 50 cents at Freeman Drug Store.

Railroad Strike.

Laredo, Texas, Dec. 26.—Two thousand shop employees of the National railways of Mexico went on strike today because of the refusal of the managements of the railroads to grant an eight-hour day for workmen and an increase in wages. The strike was called simultaneously at Neuvo, Laredo, San Luis Potosi, Mexico City and Aguas Calientes. At Neuvo Laredo, 100 skilled mechanics and 100 other employees walked out. The shops were closed.

Because of the already demoralized conditions along the line of the railway, as the result of rebel activity, the strike has caused the greatest concern. Railroad officials refuse to discuss the situation beyond stating that the strike will not cause a tie up of the lines and that they believe regular train service can be maintained.

At a number of points bridges and stations have been burned by the revolutionists and long stretches of roadbed destroyed. The employees expressed the demands some weeks ago with an ultimatum that if they were not acceded a strike would be called before the end of the year. No intimation had been given, however, that today was selected as the date of the walk-out.

Peculiar Turnip.

The State Dispatch is in receipt of a very peculiar turnip left in our office during the Christmas Holidays. The turnip resembles the growth of three turnips all together with a separate root from each all three joining together. The turnip is about the size of a half gallon tin. We have been looking at the turnip and expect to soon put it to safe keeping.

—An attendant at a certain institute for the deaf and dumb was undergoing a pointless rapid-fire inquisition at the hands of a female visitor.

"But how do you summon these poor mutes to church?" she asked finally with what was meant to be a pitying glance at the inmates nearby.

"By ringing the dumb bells, madam" restored the exasperated attendant.—Tid Bits.
