

The Tip.

(From The Greensboro Record)
The anti-tipping bill was defeated in the Legislature yesterday. One reason for laying it on the shelf was that it was unconstitutional.

It is noticeable that when anything is to be killed and there is no other way to do it, it is charged with being unconstitutional. Perhaps it is; we know nothing about it.

But while the traveling men where hot for it, if one will stop and think a moment he will realize that after all, these gentlemen, in great part, are responsible for the evil. Years ago when it started in this country the drummer—not all of course—was the big like. He helped to start the practice at least. At that period most of them drank liquor and naturally they felt good—rich, so to say—and they shelled out. However like all the rest of us, these gentlemen have discovered that drinking is a poor habit and practically all of them have cut it out. Having done this they are trying to cut out a good many other things, tipping being one of them.

It has been pointed out for a long time and women could stop it whenever they made up their minds to do it, but it is not easily done. The habit is a fixed one. The man who visits a hotel and does not shell out to the waiters, is soon spotted and he gets mighty poor service and is soon known as a tight wad. In self-defense and in order to be waited upon punctually and get something to eat, he tips and tips and soon becomes one of the army.

Mebane, Feb. 8.—The last weekly meeting of the orchestra was especially pleasant as new classical selections were rendered. The work of Captain Spiker, who is conductor and leading violinist, and of Major Meyer and Captain Jerkerson, violinists, was much appreciated. The work of Major Nalle, trombonist; Mr. Gose, clarinetist; Preston Gray, leading cornetist; Mrs. Gray, piano accompanist, is also of a high order of merit. From the progress so far made by the orchestra there is bright promise of a high grade of music for the commencement exercises at the close of the season.

The baseball games so far scheduled are as follows:
March 5—Oak Ridge at Burlington.
March 21—Atlanta Christian College at Burlington.
March 23—Burlington High School at Burlington.
April 30—Greensboro High School at Greensboro.

The date heretofore for the Young Men's Christian has been Tuesday night. However, it has been found that Sunday night is a more convenient time because every one interested can be present. The date has accordingly been changed.

NOTICE!

Road Tax For 1913, Due.

The special road poll tax for the year 1913 is now due and payable until the first day of April. Under the old the Treasurer was paid a small commission for collecting and handling this fund. And heretofore I have given that commission to those who looked after it in the different Townships. But now under the Salary law there is no provision made for any one to be paid anything out of this fund. Therefore, unless some one will volunteer to collect without charge in the townships, I cannot put the books out, as has been my custom. According to instruction from the County Commissioners, the books will be at my office in the court house in Graham, and all persons desiring to pay will pay to me, unless they find some one else with the books.

Respectfully,
Albert J. Thompson,
Treasurer Alamance County
This Jan. 7, 1913.

Misses Bessie Howard and Grace Isley will spend Sunday at Glenco where they will attend the services to be conducted by Rev. Mr. Buck.
