

Girls Beg for Babies Without Authority.

Raleigh, N. C. March 7.—For the past several days two little girls have been soliciting money from the more generous people of this city for the babies of the First Baptist Sunday school, but it is probable that the babies, or any one except the girls, will see any of the cash. Mr. Talbot Brewer, says the little girls plan is a fake.

If every one approached by the girls gave money, and such is not probable, they reaped a rich harvest. They were wise in executing their scheme only to North Blount street, one of the most fashionable in the city. Mr. Brewer or the police do not know the names of the little girls. The announcement given out by the superintendent is as follows:

"It has come to me from several sources in the last few days that some little girls have been promiscuously soliciting contributions for the Cradle Roll department of the First Baptist Sunday school. We feel it due ourselves and the public to announce that no such canvass is now being made or ever has been made by the authority of the school for any department connected with it."

NOTICE!

Road Tax For 1913, Due.

The special road poll tax for the year 1913 is now due and payable until the first day of April. Under the old the Treasurer was paid a small commission for collecting and handling this fund. And heretofore I have given that commission to those who looked after it in the different Townships. But now under the Salary law there is no provision made for any one to be paid anything out of this fund. Therefore, unless some one will volunteer to collect without charge in the townships, I cannot put the books out, as has been my custom. According to instruction from the County Commissioners, the books will be at my office in the court house in Graham, and all persons desiring to pay will pay to me, unless they find some one else with the books.

Respectfully,
Albert J. Thompson,
Treasurer Alamance County
