Landmarks of Typewriter Progress

Such are all the recent developments of the

Remington

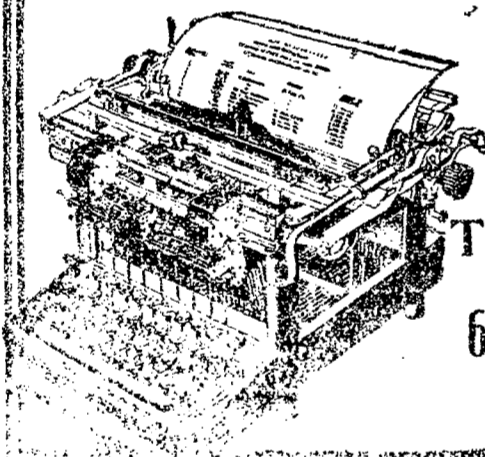

(Visible Models 10 and 11)

Among these developments are:

- The Built-in Decimal Tabulator—which makes the decimal tabulating mechanism an integral part of the typewriter.
- The Tabulator Set Key—which eliminates all hand setting of the tabulator stops.
- The Column Selector—which determines, by the stroke of a single key, the exact point on each line where the writing is to begin.
- The Adding and Subtracting Remington (Wahl Mechanism)—which combines in one typewriter, and in one operation, the functions of the writing machine and the adding machine.

Every one of these new developments is an evidence of the perpetual leadership of the Remington Typewriter. Illustrated booklet descriptive of all recent Remington improvements, sent on request

Judge Winston Talks On "Judicial" Reform.

Asheville, July 3.—The second session of the North Carolina Bar association which began its fifteenth annual convention at the Battery Park hotel last night was heard this morning and was largely attended. Other members of the association arrived this morning and the attendance is now estimated at 150. The first two sessions have been interesting and the convention promises to be one of the most successful ever held by the association.

Judge Robert W. Winston, of Durham was the principal speaker at this morning's session, his subject was, "Judicial Reform," and he urged that the present judicial system be simplified. His plan as presented is to cut out all needless technicalities.

An impromptu address was made during the morning by Ralph K. Carson, of South Carolina who is chairman of delegation attending the convention from the Palmetto state.

Memorials were read to the following deceased members. A Burwell, Charlotte by Judge Walker; W. E. Duckworth, of Rockingham, by Judge J. Crawford Biggs; Levi M. Scott, by G. S. Bradshaw.

A lengthy report was submitted by Judge J. Crawford Biggs, of Durham, chairman of committee on legal education and admission to the bar to the effect that the standards of the men making application for admission to the bar be raised. A number of new members were admitted.

The night session was taken up with the address of ex-Governor Thomas J. Jarvis on the "Lawyer His Opportunities and His Failures."

Following the session there was a brilliant ball in honor of the visiting ladies given by the local association.

Killed in Wreck On Danville Yard

Spencer, July 3.—Fireman John R. Satterfield, of Spencer, was called to Danville tonight on account of his grandfather, Engineer G. R. Satterfield, employed by the Southern Railway, being accidentally killed on the Danville yards this afternoon. He was struck by a switch engine. He was father of Engineer A. P. Satterfield, killed in a wreck of No. 35 near Danville four years ago.

Search and Seizure Applied in Franklin.

Louisburg, July 4.—The first application of the search and seizure law in this city was made a few days ago when Squire J. W. Hollingsworth issued warrants for Sam Yarboro, Charles Littlejohn and Will Johnson, all colored, for having shipped to them 144 pints of "booze," in three packages. Chief Cook, of Franklinton, who is an ardent supporter of the prohibition law, wired the Louisburg officers that an extra amount of "wet goods" was in transit for this point, whereupon Deputy R. W. Hudson got busy and met the incoming train.

When the owners failed to show up and lay claim to their packages, Mr. Hudson seized them from the express company, and now has them in custody awaiting developments.

Train Derailed Near Morrisonville.

Durham, July 4.—A derailment on the Southern near Morrisonville early this morning caused a great delay in the traffic. A freight train was derailed and the track was so torn up that it was impossible to get the passenger trains by. The west bound train due here at 3:30 o'clock in the morning did not get here till about 7 and then the trip was made around by Apex. The tracks of the Seaboard had to be used to Apex and then the Durham and Southern road was used to Durham. The east bound train was also delayed very much on account of the wreck.

Harry Thaw Lends Gen. Sickles \$1,000.

Gettysburg, Pa., July 3.—Colonel H. W. Schoonmaker, chairman of the Pennsylvania monuments commission, received today a letter from Harry K. Thaw, in which was enclosed \$1,000 in ten \$1,000 bills.

Thaw wrote that he had read about the financial difficulties of General Sickles, that he sympathized with the general, and that he wished to contribute \$1,000 as the start of a large fund.

Colonel Schoonmaker turned the letter and cash over to Colonel Beidler, his aide, who decided that he had no authority to give the money to General Sickles. Colonel Beidler put the money in the bank until the matter could be threshed out.

Deafness Cannot Be Cured

by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is, by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a running sound or imperfect hearing and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition hearing will be destroyed forever; nine cases out of ten are caused by Catarrh which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that is cured by Dr. J. C. Cheney's Catarrh Cure. F. J. CHENEY and CO., Toledo, Ohio Sold by Druggists, 75c. Take Hall Family Pills for Constipation

Accused of Gettysburg Stabbing.

Gettysburg, Pa., July 4.—W. B. Henry, accused of stabbing eight persons in a local hotel on Wednesday night was released today on \$2,500 bail furnished by his father, Major R. R. Henry of Tazewell, Va.

The bail after Governor Mann members of his staff the lieutenant Governor and the Attorney General of Virginia had appeared before the judge to intercede for him.

The Virginians hold the Henry family in high esteem and say the defendant has always borne an excellent reputation. He is a lawyer in Camden, N. J.

Riot on Beach.

Newport, R. I., July 4.—Ten thousand people, men and women witnessed a riot on Newport Beach tonight when a negro fleeing from a sailor he had stabbed in the back, shot and killed a 14 year old boy.

For nearly an hour police reserves battled desperately with the mob which was determined to get possession of the negro.

The trouble started when Ernest Rabu and Loyd Maloney ordinary seaman from Naval training station were jostled in the crowd on the bench. Maloney says he had turned to expose late when Bradley Smith, 20 years of age, a negro is said to have struck him. In the fight that followed Smith is alleged to have stabbed Rabu.

The Progressives of Richmond, Indiana, have already nominated their tickets for the municipal election next November. Nominations were made at a city primary held recently at which about 60 per cent of the vote cast at the presidential election last fall was polled. This is an unusually high percentage of votes for a primary. William J. Robbins was nominated for mayor and Baltz A. Bescher for city clerk. There was a lively contest for the mayoralty nomination but, when the votes were counted, the defeated candidate pledged himself to do his utmost for the success of the nominee.
