Heart Disease Almost Fatal to Young Girl

"My daughter, when thirteen years old, was stricken with heart trouble. She was so bad we had to place her in a room with a window so she could get her breath. One doctor said, 'Poor child, she is likely to fall dead any time.' A friend told me Dr. Miles' Heart Remedy had cured her father, so I tried it, and she began to improve. She took a great many bottles, but she is spared to me today, a fat, rosy checked girl. No one can imagine the confidence I have in Dr. Miles' Heart Remedy." A. R. CANON, Worth, Mo.

The unbounded confidence Mr. Canon has in Dr. Miles' Heart Remedy is shared by thousands of others who know its value from experience. Many heart disorders yield to treatment, if the treatment is right. If you are bothered with short breath, fainting spells, swelling of feet or ankles, pains about the heart and shoulder blades, palpitation, weak and hungry spells, you should begin using Dr. Miles' Heart Remedy at once. Profit by the experience of others while you may.

Dr. Miles' Heart Remedy is sold and guaranteed by all druggists.

Hobbs Skirts, High Heels and Accidents.

Philadelphia, Aug. 15.—Determined, if possible, to minimize the number of accidents to the traveling public, the Pennsylvania Railroad company today called the attention of its women passenger to hobble skirts and high heel boots.

That such article of wearing apparel are bad for the traveler the company is quite certain, and blames six of the recent accidents on the lines of the Pennsylvania system to these causes.

In every instance the women who were hurt fell from the steps of Pullman cars. No names of the injuries are given, but the places are, and the accidents occurred two in New York, one at Altoona, one at Wilmington, one at West Philadelphia and one at Pittsburgh.

In each case the steps of the cars were examined and were found to be in order, so the company concludes that the damaged chests sprained ankles and bruised limbs were all due to the apparel which the passengers wore.
