

Saved Girl's Life

"I want to tell you what wonderful benefit I have received from the use of Thedford's Black-Draught," writes Mrs. Sylvania Woods, of Clifton Mills, Ky.

"It certainly has no equal for la grippe, bad colds, liver and stomach troubles. I firmly believe Black-Draught saved my little girl's life. When she had the measles, they went in on her, but one good dose of Thedford's Black-Draught made them break out, and she has had no more trouble. I shall never be without

THEDFORD'S BLACK-DRAUGHT

If you suffer from any of these complaints, try Black-Draught. It is a medicine of known merit. Seventy-five years of splendid success proves its value. Good for young and old. For sale everywhere. Price 25 cents.

ARRIVES.
Battalion of the Downie & Wheeler
Show Decorate Town With
Picturesque Posters.

One of the pleasant things for a newspaper is the announcement of a first class circus coming and this we have the pleasure of doing for the Number One Advance Car of the Downie & Wheeler Shows was in our city today and the small army of men in white overalls and jumpers pasted every billboard, deadwall and available barn in and about Burlington with flaring posters of wild animals, petite ladies, highspirited horses, wonderful trained ponies, athletic men and goodness knows what all. The 'kiddies' are thrilled with joy and the 'grownups' gaze at the pictures and remember the happiest moments of their happy childhood days. Baseball is a national sport but the circus is the national amusement and it will never grow wearisome as long as managers and special agents scour every corner of the globe for new and strange beasts and snappy death defying acts.

The Downie and Wheeler Shows have grown large through sheer merit and the everlasting diligence of the management. Every act must stand the most critical test and each performer, musician, official or attache must be a lady or gentlemen under all circumstances or seek employment elsewhere. This is an iron clad rule with the Downie and Wheeler Shows and to this feature they attribute the greater part of their wonderful success.

We will publish further details and all we care to say now is for the 'kiddies' to save their pennies and for the 'grownups' to arrange to go to the show and make the management prove that the statement "there is nothing new under the sun," is untrue. The date for the exhibition here is OCT. 2nd.

Be a child again and enjoy the day from the arrival of the first gaudy train to the loading of the last baggage horse at night for circuses do not come every day and a good one like this is not to be missed.

Stomach Trouble; Wholly Restored!

Mrs. Wilson Robison, 744 Nettle St., Toledo, Ohio, writes: "I feel like a new person. I have no more heavy feelings, no more pain, don't belch up gas, can eat most anything without it hurting me. I want to be working all the time. I have gained twenty-four pounds."

"People that see me now Mrs. Wilson Robison, and saw me two months ago seem astonished. I tell them Peruna did it. I will say it is the only remedy for spring and all other ailments." No argument is needed for Peruna. Just get a bottle and try it. If you have catarrh of the stomach you have a serious trouble. If you want to find a remedy it would be very easy to make the experiment. Before you have taken Peruna a week you will likely find yourself better, then you will need no testimonials on the part of other people, or arguments to convince you. Until you try Peruna, however, all the testimonials in the world and arguments, however logical, will not move you. Just one trial of Peruna will convince you. Persons who object to liquid medicines can now obtain Peruna Tablets.
