## Anti-Hog Cholera Serum; Preventative For Hog Cholera.

The North Carolina Department of Agriculture has for the past three years prepared and distributed to the farmers of this State anti-hog cholera serum at cost of production.

This serum is used for hog cholera, and if injected before the hogs show any signs of cholera, it will prevent them from developing a case of cholera even if they are exposed. It is not claimed for this serum that it will cure a case of cholera, as it is a preventative and not a curative measure.

We begun the preparation of this serum in a very limited way and have found that it has met with uniformly good results. The demand for it has continued until it was impossible to meet the demands at the plant where we first began the work. In order to be in position to meet all demands made by the farmers of this State for the Serum, we have built and equipped a large new serum plant which will be used exclusively for preparing anti-hog cholera serum.

For full information and direction for using this serum, apply to the North Carolina Department of Agriculture; Raleigh, N. C.

## NERVOUS HEADACHES

Heavy Feeling, as if My Brain Was Pressing Down

Mrs. Hill says: "I cannot tell you how much I have suffered during the past twelve years." Twelve years is a long time for any one to suffer. A great multitude of women in this country know exactly what Mrs. Hill means when she says, "Heavy feeling, as if my brain was pressing down. So nervous I could not get my rest at night. Would have sinking spells and then so weak that I could not do my work." A great many women in the United States will recognize in this description their own experience.

Mrs. Hill found a remedy. After taking four bottles of Peruna she gained in strength and flesh and wrote us that she was a well woman again. She says, "I cannot thank you enough for my recovery."

This is no ordinary incident. Twelve years suffering. Four bottles of Peruna. Restored to perfect health. If Peruna can do this for one woman why can it not for another? Is it not worth your attention? Is it not worth trying?

Those who object to liquid medicines can now obtain Peruna Tablets.

Dr. Miles' Heart Remedy

Successful Merchant After Investigation Found a Remedy That Restored His Health.

"This is Thanksgiving day in the state of Pennsylvania, and I want to devote a part of it in writing a letter to you. On the 28th day of November, 1910, I was stricken with heart trouble. My family physician called it Angina Pectoris. I had from one to five attacks in 24 hours. In the latter part of December, 1910, I wrote to the Miles Medical Co. for information concerning my case, and in reply I received a very kind and instructive letter, which I handed to my family doctor, and he told me to use your Remedies in connection with the medicine he gave me. So I did. I used five bottles of Dr. Miles' Heart Remedy and seven of Dr. Miles' Nervine. I was enabled to take my meals without four months. The action of my heart is now, and has been normal for the last six months. I can truly recommend Dr. Miles' Nervine and Heart Remedy to do what they are intended for, if used according to directions. I thank you kindly for your advice in answer to my monthly reports. I am now sixty-seven years of age, have been in the mercantile business for thirty-five years and lived retired for the last thirteen years."
