Stores To Close Thanksgiving.

Burlington, N. C.,
Nov. 10, '13.

The President of the United States has issued his Thanksgiving Proclamation in which he calls upon all citizens of America to give thanks unto God for the blessings bestowed upon them as a Nation. For once, like all good citizens of the Republic, we, the undersigned, merchants and business men of Burlington, N. C., have decided to obey the mandates of that Proclamation.

We trust that each merchant and business man in town will sign this petition and make this a little town on that day a day of rest and Thanksgiving and closing for the day our offices and places of business. We realize that on that day many will smile through their tears and heavy aching hearts, and we feel that in this act of sacrifice to our Creator our grief in not permitting us to be with us the poorest mourner of the day we hereby affix our signatures to this petition.

This is attached with the undersigned offices, stores and places of business in the city engaged in the same line as the undersigned join in by signing this petition and close their doors of business on this day.

Constable Hall is Accused Of Assault.

Durham, Nov. 2.—Raymond Hall, township constable of Durham, was arrested today on a charge of assaulting N. A. Gee, Saturday afternoon in the police station. The arrest was not made till about 16 hours after the assault had been committed and not until after the publication of the article roasting Hall and the police department for not swearing out the warrant at the time of the alleged assault.

Jule B. Warren, city editor of the morning paper here, has been summoned as one of the witnesses in the case against Hall. A number of the other members of the police force, who were present at the time of the assault, have also been summoned. The warrant was drawn up and signed by R. A. Harris, clerk of the recorder's court.

The article regarding Hall's assault on the prisoner has been the talk of the town today.

Cobb Wants to End Ball Days With Detroit.

Detroit, Mich., Nov. 10.—Printed reports that Tyrus Cobb was anxious to be traded caused Frank J. Navin, president of the Detroit American team today to make public a letter from the champion batsman in which Cobb said he was anxious to play in Detroit as long as the management and public were willing to have him.

Cobb's letter also indicated that there would be no dispute over the terms of his 1914 contract. Last season he did not sign until two weeks after the opening game.

The letter from Cobb to Navin reads in part:

"I am entirely satisfied with conditions and I want to end my playing days in Detroit. The understanding we reached pleased me immensely and I will surely give my heart to playing with Detroit next year."

President Navin said "The understanding" referred to concerned Cobb's salary for 1914. Mr. Navin intimated the Georgian would receive the largest salary ever played a player in the history of baseball.
