COULD SCARCELY WALK ABOUT

And For Three Summers Mrs. Vincent Was Unable to Attend to Any of Her Housework.

Pleasant Hill, N. C.—"I suffered for three summers," writes Mrs. Walter Vincent, of this town, "and the third and last time, was my worst."

I had dreadful nervous headaches and prostration, and was scarcely able to walk about. Could not do any of my housework.

I also had dreadful pains in my back and sides and when one of those weak, sinking spells would come on me, I would have to give up and lie down, until it wore off.

I was certainly in a dreadful state of health, when I finally decided to try Cardui, the woman's tonic, and I firmly

believe I would have died if I hadn't taken it.

After I began taking Cardui, I was greatly helped, and all three bottles relieved me entirely.

I fattened up, and grew so much stronger in three months, I felt like another person altogether."

Cardui is purely vegetable and gentle-acting. Its ingredients have a mild, tonic effect, on the womanly constitution.

Cardui makes for increased strength, improves the appetite, tones up the nervous system, and helps to make pale, sallow cheeks, fresh and rosy.

Cardui has helped more than a million weak women, during the past 50 years. It will surely do for you, what it has done for them. Try Cardui today.

AN INCESSANT COUGH.

Continued Dropping of Mucus into my Throat.

A severe cough is always a grave symptom. It may not indicate organic disease of the lungs. Even though the cough is a functional disturbance it is of sufficient gravity to demand prompt attention.

The dropping of mucus from the back part of the nose into the throat indicates nasal catarrh. Sometimes this goes on a long time before the patient pays any attention to it. It is stated on good authority that mucus dropping into the throat in this way is apt to excite catarrh of the stomach. At any rate, the condition ought to be corrected as soon as possible.

Mrs. Bourland, of Frankston, Texas, found relief after using Peruna, that not only did the incessant cough disappear, but the dropping of mucus into the throat had also ceased. Read what she says:

"For twenty-three years I was a constant sufferer from chronic catarrh. I had a severe misery and burning in the top of my head. There was almost a continual dropping of mucus into my throat, which caused frequent expectoration. My entire system gradually became involved, and my condition grew worse. I had an incessant cough and frequent attacks of bilious colic, from which it seemed I could not recover. My bowels also became affected, causing alarming attacks of hemorrhages."

"I tried many remedies, which gave only temporary relief, or no relief at all. I at last tried Peruna, and in three days I was relieved of the bowel derangement. After using five bottles I was entirely cured."

"I most cheerfully recommend the use of Peruna to any one similarly afflicted."

People who object to liquid medicines can now obtain Peruna Tablets.

"Temperatures will rise early in the week over the central and the interior eastern portions of the country and will fall somewhat in the middle plateau but no unusual extremes of temperature are indicated at present for any portion of the country."

Nominate Woman For Town Clerk In Indiana

Spencer, Ind., Oct. 30.—A woman heads the Republican ticket in this town. Miss Fay Cochran was nominated clerk.

Attorneys who investigated the eligibility of a woman to hold the office of the town clerk say there is no legal barrier in the way of Miss Cochran holding the office if elected, although as far as they were able to ascertain this is the first time the question has arisen in this State. Miss Cochran is the daughter of T. H. Cochran, who was several times elected clerk here and during the last term of his office did most of the work connected with it, so that she is familiar with its duties. Until called home by her father's death she was a student at Butler College, where she was a member of the Kappa Kappa Gamma sorority.

Shot In Both Legs, John Swinke Is Caught In Swamp.

Columbia, Oct. 31. News from Sumter is that John Swinke, claiming to come from Elon College, N. C., was shot by Clyde Geddings near Reminal and was captured in the swamps in Clarendon County. Mr. Geddings shot at some one attempting to break in a store Monday night and the finding of Swinke in the swamp lands yesterday brought forth a confession according to reports received here.

Swinke was shot in both legs and in the side and information from Sumter, S. C., is that the wounds are probably fatal as the intestines are perforated.

Swinke is said to have confessed escaping from a county chain-gang in North Carolina but would not name the county. He implicates in the Remini attempted robbery one whose name he gives as C. C. Sams of Burlington, N. C., who he says planned the robbery. Sams is held at Pinewood under arrest.

Killed At Newton In Crowded Store

Newton, Nov. 1.—About 2 o'clock this afternoon Sheriff Hewitt received a telephone call that Jake Heavener had killed Sam Huffman, in Heavener Brothers' store, eight miles south-west of Newton. Within 27 minutes the sheriff was at the scene of the killing and found Heavener in his home, 20 yards from his store quietly settling an account with a customer.

The sheriff sent to the store and found Huffman's body lying behind the counter where he fell when shot by Heavener. After following him around the counter while cursing, the sheriff did not make a thorough examination, but found one bullet hole in his chest and another in the crown of his head, where his brains were oozing out. The sheriff arrested Heavener and carried him to Newton and placed him in jail to await preliminary hearing tomorrow at two o'clock.

Huffman is the father of the young man who has been on trial here this week for entering Heavener's home and stealing a check and some money and raising the check from \$8.50 to \$85.50, the trouble which resulted in today's tragedy.

The store at the time of the shooting was crowded with customers who fled in every direction upon the firing of the first shot. When the sheriff arrived the store was vacant with the exception of the dead body. The crowd had gathered at a blacksmith shop nearby.

DANGER IN DELAY

Kidney Diseases Are Too Dangerous For Burlington People to Neglect.

The great danger of kidney troubles is that they so often get a firm hold before the sufferer recognizes them. Health will be gradually undermined. Backache, headache, nervousness, lameness, soreness, lumbago, urinary troubles, dropsy, gravel, and Bright's disease may follow as the kidneys get worse. Don't neglect your kidneys. Help the kidneys with Doan's Kidney Pills, which are so strongly recommended right here in Burlington.

C. F. Oakley, Davis street, Burlington, N. C., says: "I suffered from kidney complaint for two or three years, brought on by hard work and heavy lifting. The trouble began with sharp twinges in my right side, extending into my limbs. At times I became so lame and sore across my joints that I could not sleep. My kidneys were also disordered and I was miserable in every way. As soon as I began taking Doan's Kidney Pills I felt better and before long they cured me."
