## COULD SCARCELY WALK ABOUT

And For Three Summers Mrs. Vincent Was Unable to Attend to Any of Her Housework.

Pleasant Hill, N. C.—"I suffered for three summers," writes Mrs. Walter Vincent, of this town, "and the third and last time, was my worst.

I had dreadful nervous headaches and prostration, and was scarcely able to walk about. Could not do any of my housework.

I also had dreadful pains in my back and sides and when one of those weak, sinking spells would come on me, I would have to give up and lie down, until it wore off.

I was certainly in a dreadful state of health, when I finally decided to try Cardui, the woman's tonic, and I firmly

believe I would have died if I hadn't taken it.

After I began taking Cardui, I was greatly helped, and all three bottles relieved me entirely.

I fattened up, and grew so much stronger in three months, I felt like another person altogether."

Cardui is purely vegetable and gentle-acting. Its ingredients have a mild, tonic effect, on the womanly constitution.

Cardui makes for increased strength, improves the appetite, tones up the nervous system, and helps to make pale, sallow cheeks, fresh and rosy.

Cardui has helped more than a million weak women, during the past 50 years. It will surely do for you, what it has done for them. Try Cardui today.

### AN INCESSANT COUGH.

Continued Dropping of Mucus into my Throat.

A severe cough is always a grave symptom. It may not indicate organic disease of the lungs. Even though the cough is a functional disturbance it is of sufficient gravity to demand prompt attention.

The dropping of mucus from the back part of the nose into the throat indicates nasal catarrh. Sometimes this goes on a long time before the patient pays any attention to it. It is stated on good authority that mucus dropping into the throat in this way is apt to excite catarrh of the stomach. At any rate, the condition ought to be corrected as soon as possible.

Mrs. Bourland, of Frankton, Texas, found after using Peruna that not only did the incessant cough disappear, but the dropping of mucus into the throat had also ceased. Read what she says:

"For twenty-three years I was a constant sufferer from chronic catarrh. I had a severe misery and burning in the top of my head. There was almost a continual dropping of mucus into my throat, which caused frequent expectoration. My entire system gradually became involved, and my condition grew worse. I had an incessant cough and frequent attacks of bilious colic, from which it seemed I could not recover. My bowels also became affected, causing alarming attacks of hemorrhages.

"I tried many remedies, which gave only temporary relief, or no relief at all. I at last tried Peruna, and in three days I was relieved of the bowel derangement. After using five bottles I was entirely cured.

"I most cheerfully recommend the use of Peruna to any one similarly afflicted."

People who object to liquid medicines can now obtain Peruna Tablets.

### Dinner For Mr. and Mrs. Gantt.

Below we copy an article from Friday's Charlotte Observer:

Mr. and Mrs. J. B. Ivey entertained at an elegant eight-course dinner party last evening at 6:30 o'clock at their home in Piedmont Park in honor of Mrs. Ivey's brother, Mr. Samuel Gantt and bride who arrived in the city yesterday. Mrs. Gantt before her marriage Wednesday evening was Miss Mabel Isley of Burlington. Mr. and Mrs. Gantt are en route to their future home in Beaumont, Cal., where Mr. Gantt is engaged in the mercantile business. Mrs. Ivey attended her brother's wedding. A color-note of yellow and white was observed and the place cards were handpainted in yellow. During the evening orchestral music was furnished. Mr. and Mrs. Ivey's guests were Mr. and Mrs. Samuel Gantt, Miss Lina Ivey of Lenoir and Mr. W. Sinclair Stewart, Miss Ruth Lillard and Mr. George Lee of Monroe, Miss Katherine Claywell, of Morganton and Mr. R. N. Gantt of Bryson City.

Wilmington, Nov. 16.—George W. Beaman, 40 years old, a carpenter, shot and killed his wife in a field near their home, three miles from this city this afternoon at 3:30 o'clock and then took an ounce of strychnine with suicidal intent. At a hospital tonight it was stated he would recover having taken an overdose which acted as an antidote. He used a 32 calibre rifle and fired twice both bullets taking effect, the first entering the back at the waist line and the other penetrating the left temple. She died instantly.

Beaman left a note stating that he had killed the woman because she had left him three times. He makes a voluntary statement to a notary public that he alone was responsible for the death of the woman.

Coroner Fowler who is investigating the case, stated tonight that he understood that the woman who was about 25 years old, had served a term in the penitentiary for conspiring with another man to kill her first husband who was murdered. Soon after leaving the penitentiary, he married Beaman, the coroner stated. Recently the man who went to the prison with her on the conspiracy charge returned to Wilmington and this, he was informed led to the tragedy this afternoon.

Four men believed to be members of the Black Hand jumped on the running board of an automobile owned and driven by Jas. Chicachee of Tarry Town, N. Y., one night last week and at pistol point relieved him and his companion of \$13.30. At first Mr. Chicachee refused to give up but was sent sprawling on the jaw.
