Entered as second-class matter May 10, 1908, at the post office at Burlington, North Carolina, under the Act of Congress of March 3, 1879.

#### CHAMBER OF COMMERCE BAN-QUET.

(Continued from Page One)

trust there will be, and maintained city would reach the handsome total of more than \$7,000.00. Our Cham- dividend on the outlay of capital, to A reward is offered to the one findber of Commerce has a fifty year contract for free lights for the City Hall and the Graded Schools also. There are now thirty-two of these lights, and the economic saving to the City be seen at a glance that during the and happier for his having lived in Mt. Zion. The first one was Mr. J. past year our Chamber of Commerce it. has laid a secure foundation for an ! economic saving to the city during the next fifty years of not less than \$130,000. It requires no juggling of figures, no garbling of facts, to teach this happy conclusion. The results are so plain that he who runs may read. It should be said also to the credit of this organization that after the unsuccessful efforts of ten years. more or less, it remained for the Chamber of Commerce during the last year to have electric lights installed at the depot for the accommodation of passengers getting on and off the trains.

What further does any man ask in justification of the existence of our Chamber of Commerce? Would private cutizens, acting single-handed and ( without organization, have ever obtained such be which corcession from a private compration in which the balance sheet is the controlling Edvin Arneld. consideration? No may will have any trouble in posworing that question for hereicht. Loop after many of us have presed of the stage of activand been had be setth the clods of the valley, these substantial benefits see cured to the citizens of Burlington by the Chamber of Commerce during the last year will be greatefully harvested and appropriated by those who shall succeed us.

But this is not all. During this year the Eurlington tobacco market has ben a matter of pride to every patriotic citizen of this city. We have

Postage, which has been forwarded to our Secretary from Barlin, Germany, which shows that the Burlington Chamber of Commerce is not confined to the American continent in its operations and influence, but that the great German Empire across the seas to seek its aid and co-operation in

carrying out this scheme of worldwide importance.
