Part of Fleet May Be Brought Home.

Wa hington, May 20 .- The general slackening of tension in the Mexican situation resulted today in the consideration at the Navy Department of plans to withdraw a part of the fleet on the east coast of Mexica. Acting Secretary Rooseve ; said he hoped within a week to have four battleplans, five destroyers and a tender or the way north.

Sunday School, 9:30 a. m. hather important development of the day was a conference called by | Secretary Bryan with British Ambas cador Spring-Rice and Minister Van fields. Protests, it was reported, has been received from oil operators that Rederal officials had negotiated transfore of the American leases to British and Path oil men. Some protests has British and Dutch holders might suffer since the Constitutionalists asmined control followed. The State Department, still without result, continued its efforts to obtain rformaion as to the fate of Consul John R. Silliman at Saltillo.

"We are now seeking information is to Silliman from sources other than through Mexico City."

No official information was forthcoming in the case of Private Samuel Parks. The State Department is still without reply to the note in which it demanded information about Parks and characterized his reported execution as a hostile and unfriendiy aet.

The War Department, however, received a copy of an affidavit made by A. W. Bland, in which he repeated a story told him by an alleged eye-witness of Parks' death. The affidavit sets forth that Parks was shell to death by a firing squad on order of a Mexican commander. Bland said the name of the eye-witness must not be revealed because he would be killed I should like to have been with him if it were known he had given the information.

Assurances that the family of T. J. Smith at Tonola, Mexico, is safe uader the protection of British and Brazilian diplomatic officers and that evby affact is being made to obtain the elease from imprisonment of Smith himself, were received by Secretary Bryan from the Brazilian Minister in Menico City. "It didn't hurt a bit"

You have a tooth or probably a whole set of decayed, diseased teeth you would like to get rid of; but you

are afraid to have them pulled. Is that so? Well, you agree with us there, so we will make another statement. Your neighbors will testify to the truth of this one. LISTEN: We have removed more than ten thousand teeth just as bad as yours and nearly every body seems to be very agreeably surprised, when the tooth or teeth is out and they have felt very little or no pain at all. Give us one trial. We guarantee to please. We make artificial teeth with natural gums. They look well, fit well and are serviceable.
