NOTICE.

The citizens and qualified voters in the city of Burlington will take notice of the new registration and election in the city of Burlington.

You are hereby notified that pursuant to the provisions of an act of the General Assembly entitled "AN ACT TO AUTHORIZE AND EMPOWER THE CITY OF BURLINGTON TO ISSUE BONDS TO OBTAIN FUNDS FOR THE PURPOSE OF ERECTING AND EQUIPPING PUBLIC SCHOOL BUILDINGS IN SAID CITY," an election will be held at the several voting places in the above named city on the 8th day of June, 1915 upon the proposition of the adoption of said act and determining whether said act shall become law applicable to said city. You will further take notice that an application in writing of sixty qualified voters of said city has been made to the Mayor and Board of Alderman, the said application requesting the order of a special election in said city upon the question of issuing bond of said city in the sum of \$40,000.00 for the purpose of erecting and equipping public school buildings in said city. That pursuant to said act and petition a special election has been ordered to be held on said 8th day of June, 1915 upon the question of the issuance of \$40,000.00 in bonds for the purpose of erecting and equipping public school buildings in said city, the said bonds, (provided the majority of the qualified voters of the said city shall have voted for the public school building bonds), shall be issued in the denominations of \$1,000.00 each carrying interest at the rate of five per cent. per annum, payable semi-annually, all of which bonds shall run for a term of thirty years. When said bonds shall have been issued they shall be sold by the Board of Alder-

man at the best price which they can obtain, not to be sold for less, however, than the par value of said bonds, and they shall use the proceeds of said bonds for the sole and only purpose of erecting and equipping buildings to be used as public school buildings in said city of Burlington, and said Board of Alderman shall keep accurate account showing the amount received for said bonds and the manner in which the same is expended. This the 22nd day of April, 1915.

JAS. P. MONTGOMERY,
 Secretary & Treasurer.

Whereas, the General Assembly of North Carolina of the year of our Lord One Thousand, Nine Hundred and Thirteen enacted "AN ACT TO AUTHORIZE AND EMPOWER THE CITY OF BURLINGTON TO ISSUE BONDS TO OBTAIN FUNDS FOR THE PURPOSE OF ERECTING AND EQUIPPING PUBLIC SCHOOL BUILDINGS IN SAID CITY," and whereas, said act thereof provides that an election shall be held for the purpose of determining whether said act shall become law; and whereas, on the 22nd day of April, 1915, a petition was presented to the Mayor and Board of Alderman, at a regular meeting of said Board, by sixty and a great many more than sixty, qualified citizens, taxpayers and free holders of the city of Burlington, asking that the said Mayor and Board of Alderman order an election on the question of issuance of bonds for forty thousand (\$40,000.00) dollars for the purpose of erecting and equipping public school buildings in said city.

Now, therefore, it is ordered that on the 8th day of June, 1915, there shall be held in the city of Burlington an election which shall be held in all respects as provided by law for the holding of elections for Mayor and Alderman of said

city and at which time all the voters who are then registered and qualified to vote, shall be entitled to vote for the purpose of determining whether it is the will of such voters that the aforesaid act shall become law and applicable to the said city of Burlington. Voters desiring to vote for the adoption of said act favoring the issuing of said bonds shall vote a ballot of white paper on which shall be written or printed the words "For School Bonds" and those opposed to issuing said bonds shall vote a ballot of white paper on which shall be written or printed the words "Against School bonds."

It is further ordered that a new registration of the qualified voters of said city be had and to this end the registrars hereinafter named shall open registration books for this purpose in their respective wards on the 3rd day of May, 1915, the same to remain open for the registration of voters on each day in the week, Sundays excepted, from 9 o'clock A. M. to 6 o'clock P. M., until 12 o'clock noon on Saturday, the 5th day of June, 1915.

It is further ordered that notice of said new registration and election be published thirty days prior to the holding of said election and once a week thereafter until said election is held, and that said notice be published in some newspaper of general circulation in the city of which notice shall state the date on which said election shall be held, the amount for which it is proposed to issue bonds, how long said bonds shall run, the rate of interest to carry and the purpose to which the proceeds of bonds shall be applied.

It is further ordered that the said bonds shall be issued in denominations of \$1,000.00 each and shall carry interest at the rate of 5 per cent. per annum, payable semi-annually, all of which bonds shall run for thirty years.

It is further ordered that B. M. WALKER be, and he is hereby appointed registrar for the First Ward, and that S. G. MOORE and H. K. HALL be and are hereby appointed inspectors for the First Ward; that L. J. FONVILLE be, and he is hereby appointed registrar for the Second Ward, and that GEO. SMITH AND F. W. HAWKINS be, and they are hereby appointed inspectors for the Second Ward; that RICHARD SEYMOUR be, and he is hereby appointed registrar for the Third Ward, and that J. A. IRELAND and Y. S. MILES be, and they are hereby appointed inspectors for the Third Ward; and that J. T. WELCH be, and he is hereby appointed registrar for the Fourth Ward, and that R. A. FREEMAN and C. B. WAY be, and they are hereby appointed inspectors for the Fourth Ward. This the 22nd day of April, 1915.

SODA FOUNTAIN EXPLODES TWO MEN INJURED.

Wilmington, May 4.—George Lyons, white, was so badly injured that he is not expected to live through the night, and Jim Carr, colored, was probably fatally injured, this morning at 7:30 o'clock, when a carbonator at the soda fountain of Crescent Cigar Store exploded.

The 150 pound steel carbonator was hurled to the ceiling of the store and, rebounding, struck the men who were preparing the fountain for the day's work, on the head, rendering both unconscious. Lyons has not regained consciousness, and no hope is held for his recovery.

If Hobson runs for president on the prohibition ticket, wonder if he will consent to let W. J. B. run for vice-president with him?

STUDENT DROPPED DEAD WHILE PLAYING BALL.

Chapel Hill, May 5.—Augustus Tompkins Graydon, of Greenwood, S. C., a law student in the University of North Carolina, dropped dead from heart trouble at 3:20 o'clock this afternoon. He was participating in a light form of base ball practice for exercise on the plot between the library and the row of fraternity halls when he suddenly sank to the ground. He was removed to a near-by fraternity hall and within five minutes breathed his last. The efforts of three physicians who arrived in two minutes after the stroke failed to revive him.

Nabbed on Charge of Trying to Force Girl to Attend Ball Game.

Talbotton, Ga., May 4.—Robt. Beverly, a young man living in Woodland, Ga., was arrested at that place Saturday afternoon, charged with trying to compel Miss Mary Burt, a young lady of that place, to attend a ball game with him. It was charged that young Beverly asked her to attend the ball game at Manchester, and that she told him she could not go, when he drew a pistol, using an oath, and told her she would go.

At the depot where he had bought a ticket for himself, Miss Burt and his two sisters, he was placed under arrest by the marshal of Woodland. He was tried at Woodland Monday morning and bound over to the superior court under a \$250 bond.

Beverly claims that he was only joking with the girl, and that she finally agreed to go with him willingly.

It's a safe bet that from now on politicians will do very little letter writing.

If Italy should wake up some fine morning and find the war over, the government would face a revolution for its short sightedness in not getting in at the eleventh hour and fifty-ninth minute.
